

Lliswerry News

Summer Edition 2019

Dear Lliswerry parents, carers and learners,

The sun is shining (occasionally!), exams have finished, timetables have 'rolled over' in readiness for the next academic year and we are holding our Year 6 into 7 events, so it must be nearing the end of the summer term!

It has once again been a privilege to watch our Sixth Form, Year 10 and especially (as they had more exams!) Year 11 learners working hard with their teachers and support staff to prepare for their exams this year. There is a lot of expectation on young people these days as we tackle another 'exam season' and that can be a difficult challenge indeed.

However, as I've told our learners in assembly, if they can look in the mirror on the morning of results day and honestly say "Whatever is written on my results sheet, I know I've tried my best in school and at home" then no one can ask any more of them. Many thanks to parents and carers for your support with exam preparation and, where applicable, calming nervous teenagers! We now wait with bated breath for their results to be published!

We are very excited to be welcoming our biggest Year 7 cohort for many years in September. This coincides with the introduction of our exciting new Launch Curriculum project for Year 7 learners, more details of which can be found in this newsletter. As a growing school, we also have a number of new staff members joining us in September:

Miss J Rafee
Mr Isaac Westlake
Dr Aiysha Thompson
Ms Samantha Viney
Mr Adam Tuckfield
Mrs Sarah L Jones
Mrs Sarah Jones
Miss Isabelle Trowbridge
Mr Dale Jones
Mrs Catherine Court
Miss Sherri Loescher
Mrs Allison Harries
Mrs Jemima Bartley

Leader of Learning Science
Teacher of Science
Teacher of Science
Teacher of English
Teacher of Maths
Teacher in charge of Geography
Year 7 Curriculum Teacher
Teacher of Religious Studies
Year 7 Curriculum Teacher
Year 7 Curriculum Teacher
Teacher of English
Associate Assistance Headteacher
Associate Assistance Headteacher

Additionally, the following staff will be leaving us and we wish them all the very best for the future:

Dr R Taylor
Mr N Williams
Mr I Griffiths
Mrs K Pheasant-Green

Leader of Learning Science
Teacher of Geography
Teacher of English
Teacher of Science

Many thanks for your contributions to Lliswerry High School!

Our school vision for the future has been developed in consultation with learners, staff and governors and is as follows:

"We want to be the best school in Wales, where all learners make progress appropriate to their ability in every lesson, demonstrate mutual respect and positive behaviour for learning."

We are an inclusive learning community where ambition, belief, determination and resilience underpin the shared common purpose of preparing all of our learners for a successful future."

To be the best school in Wales is a big ask and of course we know that we are not there yet. However, rest assured that we will be doing our very best to get there. Please let us know if you feel that our vision could be improved and, if so, how.

I'm sure that many parents and carers will be purchasing new uniform items in readiness for September, so I would like to draw your attention to the uniform information below once again. Please ensure that any uniform item bought meets our school uniform policy. Our uniform policy hasn't changed - tight trousers, leggings, short skirts (no more than 7cm above the knee) or any footwear other than plain black are not acceptable – whatever your son/daughter may say! If in doubt, please do contact us before purchasing. As a guide, please see the images below.

We expect and value high standards and your support of this with regard to uniform is much appreciated. **Year 11 parents/carers** – if you have any unwanted uniform items, we would be very pleased to receive them from you. This would enable us to support some of our families who are facing significant financial hardship. Please drop any items off at main reception or get in touch with us and we will collect them.

Finally, I would like to thank all of our learners for their hard work (and humour) this year, our staff for their ongoing dedication and our Governors, parents and carers for their continuing support. I hope that you all have a safe and enjoyable summer and I look forward to the new term in September!

Best wishes,
Mr N Davies

SCHOOL
HOLIDAYS

Results Days

Year 12 & 13 (Sixth Form) Results (GCE)
Year 10 & 11 (Key Stage 4) Results (GCSE)

15th August 2019
22nd August 2019

Learners should come into school between 10:00am and 12:30pm on the relevant day and use the front door entrance. Results will be issued in the school hall.

Year 7 Curriculum Information

In line with the changes outlined by the Welsh Government, Lliswerry High School has developed a transformational Launch Curriculum. The aim of the new curriculum is to provide authentic learning experiences that provide learners with the skills to be learners for life.

In March 2014, the Welsh Government published a review of the curriculum and assessment arrangements in schools in Wales. The reason for the review was to ensure young people have the best possible education that prepares them for the future. Since then, we have been working hard to redesign our curriculum to ensure this happens in line with the recommendations published. This has resulted in the launch of our new year 7 curriculum from September 2019.

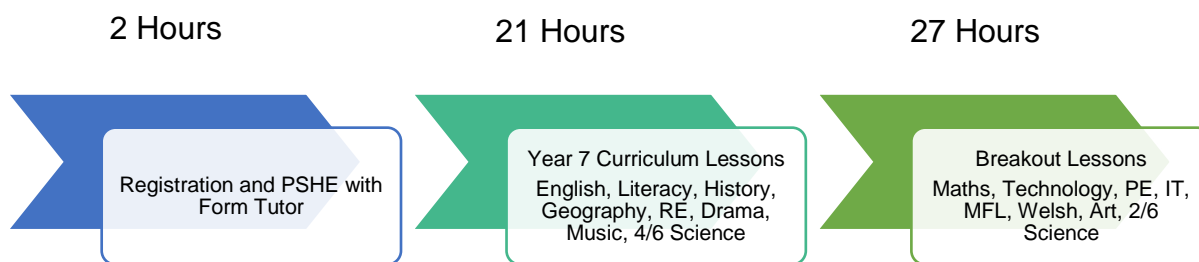

The new Launch Curriculum will involve year 7 learners being taught across areas of learning by one teacher for 20 hours per timetable cycle. Within this block, the following areas of learning will be covered: English, literacy, history, geography, RE, drama, music and classroom based science. Although these subjects will be explicitly taught and assessed in the Launch Curriculum, the nature of the cross-curriculum project learning will mean that other subject skills may also be covered in consultation with Leaders of Learning. The design of the curriculum will follow a more thematic approach, assessing individual subject skills through project based learning.

Alongside specific literacy lessons, this new, exciting cross-curricular approach allows for the embedding of the cross-curricular skills outlined by the Welsh Government: literacy, numeracy and digital competences. This will build on our work here at Lliswerry of embedding the key skills outlined in the Literacy and Numeracy, and Digital Competence frameworks.

This new curriculum will bring together the expertise of both primary and secondary trained teachers, with three primary trained teachers joining our teaching staff. Alongside these teachers, two existing and experienced secondary trained teachers from the English department will be joining the team. This expertise will allow for extensive opportunities to exploit cross-curricular links and allow for a more holistic approach to the pastoral care by teaching staff. The structure of the launch curriculum will also build on our already successful transition programme and will be the bridge between primary and secondary school. This style of teaching will act as a stepping stone in the learners' first year at Lliswerry; having a block of lessons taught by one teacher will aid in the settling of learners into their new environment. This new curriculum will model pastoral care and teaching on a familiar system to learners from their primary school experience, but bring the specialism and facilities of high school to enhance the learning experience.

The Launch Curriculum at Lliswerry High is a ground-breaking and sector-leading approach to the forthcoming changes to the curriculum in Wales. It is an exciting opportunity to allow our learners to begin their journey of learning for life.

Mr D Herbert

Annual Hexad Student Conference

On Friday 5th July, a group of 8 learners represented our school at the annual Hexad Student Conference. This is a conference involving learners from Lliswerry High School, The John Frost School, Risca Community Comprehensive School and three Welsh medium schools: Gwent Is Coed, Gwynllyw and Cwm Rhymni.

Our learners presented to the staff and learners of the five other schools and to a representative of the Children's Commissioner for Wales on the topic of Growth Mindset, explaining the difference between Growth and Fixed Mindsets and the work that we have done to develop our Growth Mindsets at Lliswerry High. They also led a number of interactive activities for everyone present to get involved in.

They all did an absolutely fantastic job at representing the school with a really engaging presentation and showed real enthusiasm in all the tasks they completed throughout the day.

Mrs L Evans

SCHOOL
HOLIDAYS

Clocs Ffit

On Monday 17th June, more than 160 Key Stage 3 learners donned some wooden clogs and took part in a 'Clocs ffit' session with professional clog dancer Tudur Phillips. This session gave learners the chance to experience traditional Welsh culture by taking part in an hour session of clog dancing; having a go at basic steps and working up to learning a small routine to music through the medium of Welsh. This session was funded by Cymraeg Bob Dydd (Welsh Everyday) project encouraging learners to try new experiences whilst using their Welsh skills outside of the classroom.

Emily Year 7 - My favourite thing was when we had to jump over the bandanna! It was really fun.

Amira Year 7 - It was interesting.

Kayla-Mae Year 7 - I would love to do it again. It was hard to understand the Welsh at first but we got the hang of it. The best bit was the seesaw routine where we had to keep getting up and going down.

Mrs N Joyce-Pleece

Film Stars

Last year we were lucky enough to work on an acting project in conjunction with the 'Riverfront Theatre' and their resident actor Catherine Dyson. The current year 11 learners helped to create a play called 'Transporter, a play about a refugee girl and her journey to find a safe life. The play has been a success and is soon going on tour, our students were asked if they would like to appear in a film trailer to promote the play. 7SJW were lucky enough to be chosen as the actors and spent the afternoon filming on different locations around the school. They enjoyed every minute and got to see how time consuming creating a film can be, being a film star is not all it's cut out to be.

Mrs S James-Williams

SCHOOL
HOLIDAYS

Transition Event - Curriculum Days

This year's transition event took place over 2 days and over 200 Y5 learners from 4 different Primary school participated in a 'Musical Extravaganza!' The pupils were able to choose which subject they wanted to focus on ranging from singing, dancing and acting, to creating costumes and writing theatre reviews. Some even learnt how to use green screens. On the 2nd day parents and families were invited to come long and watch the pupils perform and see the work they had produced. The learners seemed to really enjoy themselves. There was some great talent among them and the Performing Arts team look forward to working with them again in the future.

Mrs S James-Williams

Tin Shed Theatre Visit

In addition, as part of our transition project the Y6 learners from our feeder Primary School's enjoyed watching a performance by the 'Tin Shed Theatre Company'. As always the group produced a really funny and enjoyable show. The play was all about some of the worries learners might have when coming up to High School, this was followed by a question and answer session where pupils could share their thoughts and fears. A good time was had by all.

Mrs S James-Williams

Gwent Music Support Service annual Summer Showcase

Monday, 20th July, saw 11 of our learners travelling to St. David's Hall where they had been invited to perform as part of a mass choir at the Gwent Music Support Service annual Summer Showcase. The choir of 497 (taken from many primary and secondary schools across Gwent) was accompanied by a string orchestra of 90 and 2 members of the circus to perform a medley of songs from The Greatest Showman for the big finale. Our learners not only had a fantastic performance experience themselves but were able to watch and hear the various other county groups that performed during the concert, experiencing everything from orchestras to wind bands performing music from Gershwin to Hamilton.

The finale, featuring our pupils, brought the house down and as returned to the minibus after an encore the Lliswerry 11 were on a high. "Would you do it again?" I asked. Without hesitation, the response was a resounding "Yes!". It was heart-warming to think that this would be a night that they would remember for the rest of their lives.

It has been a very busy and successful year for the Music Department with performances live on BBC 1 and at the Newport Centre as well as St. David's Hall and in school. I would just like to take this opportunity to thank all those who have helped and supported the department particularly the tutors from Gwent Music Support Service, Operasonic and Eventz

Mrs Maynard

Year 7 Netball Club

As we come to the end of the netball season, I wanted to say a massive well done to all the year 7 girls who have been involved in netball this year. We've had some good results against St Julian's and The John Frost School, plus an excellent performance at the year 7 netball tournament. Your commitment to training and ambition to succeed is the main reason you've all improved so much. Thank you for all your effort and hard work, it's been a pleasure coaching you. Enjoy the break and see you in September when the new season begins!

Mrs Slocombe

SCHOOL
HOLIDAYS

Year 8 Football

This has been a very successful season for our year 8 football team and throughout the year they have shown the potential to become one of the strongest teams in Newport. Captain Leo Gibbons has this to say about the season

"The year 8 football team had a brilliant year. Getting to the final of the Newport Cup and the semi final of the Gwent Cup. There have been plenty of talented players in the team but performances by Nyle Thomas Keyse, Euan Rees and Ethan Griffiths helped us get to the final. I would like to thank the PE dept for taking us to the games. It has been a brilliant year and hopefully we can get to a final and win a cup next year."

Unfortunately the Newport Cup final didn't go our way. Going a goal down to Bassaleg early in the match meant we had to chase the game a bit. The team dominated for most of the game but unlike the rest of the season we couldn't find the net. Bassaleg caught us on the counter and sadly the final score was 2-0. I am very proud of the team and I'm sure we will be there again next year. We will bring it home next time.

Mr P White

Athletics Success

This term our pupils have competed in several South East Wales Athletics competitions and enjoyed a lot of success. Our various age groups have represented Lliswerry High school amazingly well in the County, District, and Inter-School Championships.

Our Year 7 and 8 boys finished 3rd place (1 point off 2nd) in the SEW Schools Championships, narrowly missing out on the Welsh Finals.

On Thursday 27th June we took 27 of our pupils over to Spyttly Park, Newport Stadium to compete in the District Minors Athletics competition. They were participating in the Newport East section of this event. Their aim was to enjoy themselves but they also knew that if they finished in the top 2 of their respective event they would go forward to represent Newport in the County finals on July 2nd..

SCHOOL
HOLIDAYS

All of our pupils ran, threw or jumped their hearts out, some competing in an event that they had only just learned a few weeks earlier, so was their desire to do well. Fourteen of our pupils made it through to the County finals! A record number for our school.

On Tuesday 2nd July we took the 14 pupils over to Newport Stadium to compete against the best athletes in the County who had finished in the top 2 for their respective districts throughout Gwent. It really was a competition for the very best. All of our pupils were once again very competitive and represented themselves, their family and their school superbly. We were very proud of them.

The pupils were:-

Year 8 Ishu Ghale, Rafael Janela, Riley Lonergan, Scott Davies, Sarah Curticean and Layla Gabica
Year 9 Harry Campbell, Casian Sas, Ethan Griffiths, Nyle Thomas-Keyse, Ewan Rees, Leo Gibbons, Aratz Urkola and Julia Panasuik.

Special mention must go to Casian Sas who won the 800m and is County Under 13 Champion and Rafael Janela who won the 200m in a new County record time of 26.13 seconds (wow!) and is also County Under 12 Champion.

A huge congratulations to Year 10 pupil Elur who will represent our school and South East Wales in the Welsh Championships 1500m Steeplechase. Good luck Elur!!!!

Bring on next year!

Mr S Parry

Sports Leaders

Our Year 10 and Year 12 Sport students have recently completed their 'I can Lead' and 'Level 1 Sports Leaders' qualifications with Rich, Steve, Mike, Bobby, and Brittany from Newport Sports Development. All 17 of our Year 12 students and 19 of our Year 10 students completed their qualification successfully. Well done to you all!!

Lots of our Year 7, 9 and 10 Sport Students have also been assisting the PE team this term by helping assisting with Primary school transition events. Groups of Year 9 and 10 pupils have been out to our 4 cluster Primary schools to assist with their Sports Days. Our Year 7

Netball team helped Mrs Cooper and Mrs Slocombe with the annual Primary School Netball Tournament, and Kara Luckett, Evie Bourne, Isabella Clarke, Eliyah Clifford and Cara Williams also helped across two days leading dance sessions on the Year 5 cluster days. Great work girls!!

SCHOOL
HOLIDAYS

School Uniform

Girls - Years 7 to 11

Black skirt of an appropriate length for the work-place (i.e. not more than 7cm above the knee)

or Black trousers (**not skin tight and/or jeans or leggings**)

Polo

Skort

Shorts

Leggings

Socks

Hoodie

Male Compulsory - T-shirt, shorts, and socks plus ***optional*** rugby jersey

T-shirt

Shorts

Socks

Hoodie

SCHOOL
HOLIDAYS

Senior Pupils

We would like to introduce our new senior students for 2019-20. Head boys, Imran and David and head girls, Ayotola and Chloe were selected following a staff and student vote. Congratulations to all of them and we look forward to seeing them represent the school next year.

External Exams 2019-2020

Detailed below are the key external examination dates for your calendar for the next academic year. *(Please be aware that these are fixed dates and cannot be rescheduled to an alternative date to accommodate absence)*

Years 12 & 13 (resits)	GCSE	4th – 13th November 2019
Year 10	GCSE	7th – 10th January 2020
Years 11	Science practical assessment	6th January – 14th February 2020
Years 11	English speaking & Listening	27 th January - 10th February 2020
Year 10 & 11	Food and Nutrition practical	March 2020
Year 10 & 11	Welsh oral	21,22 & 23 April 2020
Year 11	Welsh oral	27,28 & 29 April 2020
Years 10 & 11	Photography practical	April 2020
Year 13	Art and Photography	May 2020
Years 7, 8, 9	Welsh National Tests	21st April – 5 th May 2020
Years 10,11, (12,13 resits)	GCSE	5 th May 2020 – 15 th June 2020
Years 12 & 13	GCE	11 th May 2020 – 15 th June 2020
Years 12, 13	GCE Results day	13th August 2020
Years 10,11 (12,13 resits)	GCSE Results day	20th August 2020

Learners must remain available until and including Wednesday 24th June 2020 should an awarding body need to invoke its contingency plan.

Biometrics

Biometric technology for the purchase of food from our canteen is now in operation, with 75% of our learners now paying for their snacks/lunch using their fingerprint. If you wish to take advantage of this innovative technology and haven't completed a form already please contact the school and request a biometric permission slip which you will need to complete and return to allow us to register your child.

If your son/daughter prefers to use a PIN code to pay for their food please can you ensure that they are familiar with the security elements around using a PIN.

Staff Summer Party

Thank you to Bella's catering services for supplying the school staff at Lliswerry with a hog roast buffet to enjoy at their first summer wellbeing event.

School Shop

Lliswerry school stationery shop.

Open between 1:30 and 1:50pm in B13 meeting room.

The school shop stocks everything you need for school at very reasonable prices!

Parent Governor Vacancy

GET INVOLVED!

We are currently looking to recruit a new parent governor who will play an active part on the school's Governing Body. School governors have an important part to play in ensuring that the requirements of the national curriculum are met, establishing standards of behaviour, selection of staff, budget matters etc. Governor sub-committees meet once every half term and the full governing body meet every half term.

If you are interested in becoming a parent governor please contact Mrs Rose-PHELPS, Senior School Support Officer on 01633 277867.

SCHOOL HOLIDAYS

Fixed Penalty Notices

Following the announcement of Fixed Penalty Notices the Lliswerry cluster schools are now issuing these Notices in cases where there are 10 sessions of absence (1 session = half a day) in a term. This is in support of our drive to improve attendance in all our schools across the cluster.

Learner Wellbeing

At Lliswerry High we want to create an outstanding climate for learning. It is important that our learners feel happy and supported in order to achieve their best in the classroom.

Our Pastoral team consists of both teaching and non-teaching staff who are available to offer support and guidance to learners in an effective and timely manner. As such we would ask that you emphasise with your child that they should approach a member of staff in the first instance should a problem or issue arise, rather than contacting home. By giving staff an opportunity to resolve any concerns we will be able to reduce any unnecessary worry for both you and your son / daughter.

Medical Room

Learners:

- Q. What should I do if I feel unwell in a lesson?
- A. Tell your teacher and he/she will give you a red exit slip to leave the classroom to go to the medical room in learner reception.
- Q. What should I do if I feel unwell at break time or lunchtime? (If the bell goes for the start of the lesson, you must go to your lesson and speak to your teacher.)
- A. Go to learner reception and the staff there will help you.
- Q. Should I contact my parents and ask to be collected?
- A. No, the staff on learner reception will contact home if you need to be sent home.
Reminder: You should not use your mobile phone whilst in the school building
- Q. Who can give me permission to go home if I am unwell?
- A. Your Head of Year or Head of Key Stage or a Senior Member of Staff

Parents:

We have recently had a number of parents called to school by their children without the staff having any knowledge of a learner feeling unwell. Parents are asked for their support in the process above and to wait for the school to contact them to collect their child.

Communicate Easier, Faster and More Effectively

Using **School Gateway** means that we can communicate with parents quickly and cost effectively via email, text or smartphone. It will also allow us to send electronic reports in future.

Parents, welcome to:

Schoolgateway

Keeping you informed of what's going on at school.

Download the app
for Android and iPhone

or visit the website:
www.schoolgateway.com

Activate your account today!

The image shows a hand holding a smartphone displaying the School Gateway app interface. The screen shows a list of categories: Attendance (94%), Timetable, Payments, Behaviour (20 points), Achievement (55 points), Assessment, and Student Details. The app icon is a blue infinity symbol.

If you have a smartphone, you can help us save money by downloading the 'School Gateway' app from your app store (Android and iPhone).

By doing this we can send you app messages (avoiding the cost of texts) and you can send messages back for FREE. It's quick and easy to do.

All you need is your email address and mobile number that school holds on record for you. If you have trouble logging in, please contact the school.

Parents, welcome to:

Schoolgateway

Download the app and save us money on texting you...

for Android and iPhone

OUR TARGET
50% of parents using the app.

Activate your account today!

The image shows a hand holding a smartphone displaying the School Gateway app interface. The screen shows a list of messages: 'Drama club will finish at 11:00 this week and not the usual time of 8:30. Please be there to collect Ben.', 'Please remind Ben to bring his kit for Sports Day on Tuesday this week.', and 'Claire has a maths test on Monday, please ensure that she revises in preparation. Thank you, Mrs Barker.' The app icon is a blue infinity symbol.

It is our intention to send all communication via Schoolgateway in the future.

SCHOOL
HOLIDAYS

Next year's school production

We are proud to announce next year's school production

Tickets go on sale after Christmas. The performance
will take place in February.

All learners are welcome to get involved.
