September 2019

Dear Parent/Guardian,

A key focus at Llswerry High School is supporting and developing Literacy for all learners. With this in mind, we are due to launch an exciting new project after half term. This will serve to foster an independence in reading and understanding of the materials read in all subjects. It is essential that *all* learners read independently and confidently in order to access all aspects of each lesson and it is something that will help hugely in assessments, exams and indeed the future.

We have a well-used library facility at Llswerry High School and we continue to invest a great deal of resources into it each year. However, we wish to make it even better! As a result, we are asking for your help. If you have any used books at home that your child no longer needs or wants, we would be happy to give them a new home so that they can be used as part of our literacy drive.

We are looking for donations of books that are in good condition and suitable for 6-15 year olds so that we can cater for different reading ages and different interests.

If you are able to support us in any way, please ask your child to bring the books to the school library on or before FRIDAY 18TH OCTOBER 2019.

We would also be happy to receive donations all year so please keep us in mind when you are spring cleaning!

Thank you in anticipation of your support.

Mrs J Bartley

Associate Assistant Headteacher
