Dear Learners,
We hope that you are keeping safe and looking after each other.

We are so proud of the progress you have made with Accelerated Reader so far this year and so we have a NEW and exciting opportunity for you! Just because we are not able to go to school at the moment and you can't access the school library, it doesn't mean we have to stop enjoying our reading.

Follow the instructions in this guide and log on to our NEW online library. There are over **5000** books for **you** to browse and enjoy. The great thing is that **you can quiz** on these books and keep your AR success going!

Your username is the same, as is your password of ABC- but this must be in capitals so take care.

You can log on to **myOn** and read from a **phone, laptop or tablet** so there are plenty of opportunities to read for the suggested reading time of at least **15- 20 minutes per day.**

If you haven't started quizzing yet, now is your chance!
If you are unsure of your username and password, email the helpdesk helpdesk@lliswerryhigh.org or ask your teacher.

Challenge 1: Over Easter, log on, get started and read and quiz on at least ONE book. Simple.
**Challenge 2:** Become familiar with the website, try out the different tools and set up a book list on your account of perhaps 3 books you might like to read in the future.
Most of all, enjoy it.

Keep safe, Mrs Bartley

Tyler brought the book inside. He took it up to his room to check it out.

He had **FORGOTTEN** all about Buck.

Tyler tried to open the book, but couldn't.
