

Llswerry News

Summer Edition 2021

Dear Parents, Carers and Learners,

Firstly, I wanted to thank you all for your support and understanding throughout this academic year. This is a phrase I've used quite often in my communications to you, but please don't underestimate the difference your support and understanding have played in easing the burdens of what has been an exceptional and very challenging school year.

We have just been issued with operational guidance from Welsh Government about arrangements for schools from September. I will write separately about this in more detail before the end of term. It would appear that whole year groups self-isolating as 'close contacts' will no longer be in place. However, one of the key issues that remains to be decided by the Government is how the TTP (Test, Trace, Protect, also known as Track and Trace) staff will co-ordinate the identification of learners who will need to self-isolate following a positive case being reported to school. The other thing to stress is that the guidance is issued for the Covid-19 situation as it currently stands. There may be further changes announced by Welsh Government between now and the start of September which could affect the plans we are currently putting in place. Of course, we will keep you updated on any changes should they happen.

We are also awaiting confirmation of how GCSE and A Level grades will be awarded next year. The suggestion currently is that it will be 'business as usual' – back to how things were pre-pandemic, but again this is still to be confirmed. So much still to be decided, but rest assured that we will be ready to welcome and support our learners back into school in September and throughout the year as always.

Whilst every learner deserves lots of credit for the way they have adapted this year, I would like to give a special mention to all those who have been awarded their GCSE, AS and A level grades via the Centre Determined Grades process. Essentially, in all schools it was a process of teach-test, teach-test over a prolonged period of time and our learners coped admirably with the challenges this presented to them. Very well done to them all!

I would also like to pay tribute to all of the staff and members of the Governing Body of Llswerry High School. For a myriad of reasons this has been the toughest year in my teaching career. Throughout everything, our staff and Governors have never wavered from going above and beyond to ensure that learner wellbeing was paramount throughout the pandemic, whilst also supporting them to continue their academic progress.

On the topic of school staff, we have a couple of very notable departures this September. Mrs Harris (Welsh) is retiring after 21 years of service to Llswerry High School and Mr Thomas (maths and Assistant Headteacher) is retiring after an incredible 39 years of service to generations of Llswerry learners. I'm sure many of our parents will have been taught by Mrs Harris or Mr Thomas at some point in the past! We wish them both long and very happy retirements.

I'm sure that many parents and carers will be purchasing new uniform items in readiness for September, so I would like to draw your attention to the uniform information below once again. Please ensure that any uniform item bought meets our school uniform policy. **Our uniform policy hasn't changed** - tight trousers, leggings, short skirts (no more than 7cm above the knee) or any

footwear other than plain black are not acceptable – whatever your child may say! If in doubt, or if you have financial difficulties in relation to uniform purchase, please do contact us. As a guide, please see the images below. Please remember that from September our normal uniform expectations will apply. Please see more detailed uniform information on the next page.

Jewellery – in the interests of health and safety, only one small stud earring in each ear lobe is allowed. Please note that facial piercings are not acceptable. We advise that expensive watches or expensive stud earrings are not worn to school.

We expect and value high standards and your support of this with regard to uniform and jewellery is much appreciated. **Year 11 parents/carers** – if you have any unwanted uniform items, we would be very pleased to receive them from you. This would enable us to support some of our families who are facing significant financial hardship. Please drop any items off at main reception or get in touch with us and we will collect them.

As we now look towards the next academic year my main hope, as mentioned above, is that throughout the year we are able to avoid the incredibly frustrating periods of lockdown and year group isolations we have experienced this year. Only time will tell if that is possible of course. What I can assure you all is that whatever comes our way, we will be prepared and ready to do what is needed to support all of our learners as we move forward.

I hope you all have a safe and enjoyable summer break. Finally, embodying my mantra to learners of making every day a positive attitude day, I look forward to September with enthusiasm and optimism.

Best wishes,

Neil Davies
Headteacher

School Uniform

Years 7 to 11

- Black skirt of an appropriate length for the work-place (i.e. not more than 7cm above the knee) or Black trousers (not skin tight and/or jeans or leggings)
- Blue blouse/shirt
- School velcro tie
- Plain black v-neck long sleeved jumper or cardigan
- Plain black or white ankle socks or thick plain black tights
- Completely Black footwear (no boots)
- Black Blazer

Years 12 and 13

- Black skirt of an appropriate length for the work-place (i.e. not more than 7cm above the knee) or Black trousers (not skin tight and/or jeans or leggings)
- White blouse/shirt
- School velcro tie
- Plain black v-neck long sleeved jumper or cardigan
- Completely Black footwear (no boots)
- Black Blazer

P E Uniform

- Blue Polo shirt or Blue T-Shirt (with school logo)
- Blue Skort (netball team) (with school logo)
- Blue Shorts (football team) (with school logo)
- Leggings (with school logo)
- Blue Socks
- Hoodie(optional) (with school logo)
- Sports trainers for all PE and Games lessons
- Studded boots for outdoor Games lessons (Football and Rugby)
- Towel (optional) for use if using shower facilities
- Carrier bag (optional) to place dirty/muddy/wet clothing inside

NB netball team players must have the skort; football team players must have the shorts.

Farewell Year 11

We would like to wish our year 11 learners all the best for the future and for those returning to school we look forward to seeing you again in September.

Farewell Year 13

Good luck to our Year 13 leavers
Here are some key messages from Mr Davies' speech to the Year 13 leavers:

- You'll always be a part of our school – be proud that you were a Lliswerry Learner
- Get your priorities right as you move on – make happiness your goal in life
- We are in charge of our attitude – life is 10% what happens to you and 90% how you react to it
- Make a positive difference to your community and the world around you

Year 6 Transition Lessons

Learners from St Andrews Primary attended a transition lesson with Mr D Herbert. Below are some of their comments:

- It was really useful to be able to meet Mr. Herbert in person and ask any questions we had.
- I really enjoyed doing some of the work we will be doing in high school so I know what to expect. The bell task is something I haven't done before and it was good that Sir explained it so we'll know what to do in September straight away.

Aspire Graffiti Wall Project

The COVID-19 pandemic has hit everyone in so many different ways. The young people, who attend the Lliswerry Aspire Project at Newport East Community Centre, Moorland Park, designed the memorial wall to mark the worldwide pandemic. The Aspire project is an alternative education programme for young people aged 14-16 who attend Lliswerry High School.

The young people have missed many opportunities that are normally available when they attend the Aspire project due to pandemic so staff members wanted to ensure that the young people were able to gain alternative opportunities.

Working in collaboration, the Youth Workers – Holly Manfield and Lucy Rogers who run the project, worked together with the Community Development Worker for the Community – Vicky Walters. Vicky was able to secure a grant and funding from the Legacy funding bid to make the project happen.

The group all worked together with the Graffiti Artist – Silent Hobo to complete the project. They were consulted and involved in every stage of the project. They were involved in the planning, concept, design and implementation. This then gave them ownership and pride in their work, their building and their project.

The young people used this work as evidence for one of the qualifications that they have completed this year and this was great to see the young people getting involved in something that will be in the community for many years to come. When we were first planning the community project that we going to choose, the group wanted to do something to remember COVID. They wanted to remember the time that the community in which they live came in together. The young people thoroughly enjoyed the whole process. They are extremely proud of the amazing work that they have produced.

What the staff at Newport East Community have said:

- Lee Brace, Community Youth Worker – “It brightens up the Community Centre grounds. It’s nice to see that the Aspire group have been able to express their personalities and memorialised themselves”
- Elaine Dalton, Senior Practitioner Flying Start – “I think it is amazing. I think they have said what needs to be said regarding COVID-19. I am very proud of them. The children in flying start absolutely adore the wall! We also hear other children from the estate mentioning how good the wall is!”

What the young people said about the project:

- Tayla-Jayne Griffiths – “How does he do that all day? That kills my fingers!”
- Ieuan Blanks – “I’m already the boss of the centre and now I’ve made my mark!”
- Sophie Phillips – “Best birthday ever! I loved it!”
- Luke Bidgood – “It’s colourful and neat. It was good that we got to do something we aren’t normally allowed to do!”

What the community have said to us:

- “That is amazing!”
- “WOW! That is fantastic! Well done ASPIRE. I hope you’re all proud of yourselves!”
- “Absolutely amazing job! Well done!”

Aspire Graduation

Last week saw the graduation of our Aspire learners. Whilst not all students were able to attend the ceremony, all were clearly thankful and proud of themselves for not only completing a wide range of courses but doing it through such a challenging time. Many reflected on how difficult it had been at times and how much the staff at Aspire had supported and encouraged them throughout.

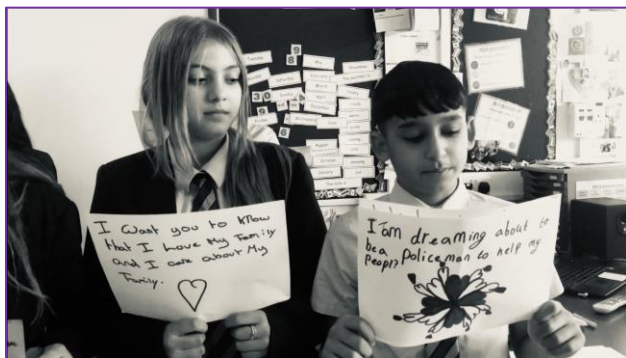

There were awards for most improved confidence and most likely to be a social media influencer (amongst many others) And, with some

touching videos of staff from the high school wishing them well, and a montage of photos from their journey since September, it was memorable and entertaining!

Miss S K Jones commented “as their English teacher, I can honestly say they worked their hardest throughout and I’m so happy that they will all go onwards with their education with self-confidence, a plethora of skills and positivity”.

New to English Transition Project

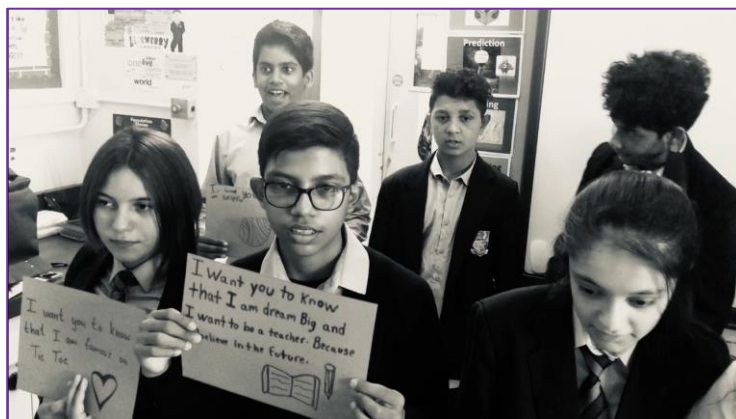

The ability of a group of people to do remarkable things hinges on how well those people can pull together. We build our Transition projects for pupils who are new to English on the foundation stones of community, unity and fun to ensure that we develop a sense of safety, self- confidence, belonging, mutual respect and care for each other in our learners.

Our NTE transition project has been running for the last 4 years and it helps learners to form relationships, reduces anxiety, and develops stronger self-esteem

whilst encouraging self-expression through creative arts and various fun activities.

In the past, learners have been cooking together, visited the school, played football, taken on various fun challenges and participated in number of creative projects together.

However, this year was different. The new rules and regulations enforced on us due to the pandemic made things harder, but we were not willing to give up on our project and wanted to make sure that this year's new cohort could benefit from the same opportunities when it comes to transition.

Via online live sessions in collaboration with Maindee Primary School, St Andrew's Primary School, Pillgwenlly Primary School and Lliswerry Primary School, we took on a creative challenge this year. We were honoured to be supported by hip hop artist Toby G MBE and his amazing wife Jo Gorniak. We felt inspired by Toby's live journey and Jo's poem called SEE ME that is about a child who cries out for help, love, and care and pleads to belong somewhere. Learners created their own poems, dances and rap using Jo's lines: *Don't judge me for...I want you to know that I am...*

Toby and Jo are true community champions who believe in a sense of unity, peace, love, respect and fun and most importantly champion every young person who enters their circle.

Refillable Water Bottles for Lliswerry Learners

After fundraising for some considerable time, we are delighted to inform you that we have now purchased refillable water bottles for all KS3 learners. The bottles hold 750ml of water and are, as such, plenty big enough to keep our learners hydrated during the school day.

There will be filling points at various locations around the school including in both canteens.

The bottles will be free of charge to learners and distributed during form time at the start of autumn term (September).

Learners will be asked to sign on receipt of their bottle, they will identify their bottle with a permanent marker and write their initials on the base.

I would like to take this opportunity to thank all of the learners who are too numerous to mention, who have been involved in the fundraising for this initiative. They have all received a Headteacher's

Commendation certificate, positive points on their class chart accounts as well as a refillable pen made entirely out of plastic bottles and a pencil made out of newspaper.

I would also like to thank Liz Burden at Asda, Pillgwenlly for all of her help and support in arranging for our learners to pack bags at the store as the amounts raised there allowed us reach our target.

Physics Mentoring Project

During June and July a number of our Year 10 students have been online with two university project mentors, Hanna Strojcka a second year undergraduate studying Physics and Cosmology at Swansea University and Oliver Page a first year studying Physics at Aberyswyth University. The students have engaged with the mentors exploring potential jobs that use Physics in some way. This has been enlightening for our learners as it identifies just how omnipresent physics is our everyday life and careers.

Examples have included medicine, radiographer and sinologists (ultrasound, MRI, CAT scanners) as well as others shown below.

- Academic researcher
- Acoustic consultant
- Astronomer
- Clinical scientist, medical physics
- Geophysicist
- Higher education lecturer
- Metallurgist
- Meteorologist
- Nanotechnologist
- Radiation protection practitioner
- Research scientist (physical sciences)
- Secondary school teacher
- Sound engineer
- Technical author

The number of careers where an interest/qualification in Physics helps has surprised many of our learners. Hanna and Oliver have also been giving students information about university life in general, helping to prepare them for higher education once they finish at Lliswerry.

Learners involved in Physics mentoring: E Bahar, S Davy, K Hussain, H Hoque, L-L Meakin, C Stone, J Martin, M Nshiewati and E Begum.

Melin Homes

Emily and Georgie from Melin Homes surprised the staff at Lliswerry High School with generous donation of tea, coffee, sugar, and milk sachets for the staff to thank them for their hard work the last year.

Mr N Davies Headteacher and Mr S Thomas Assistant Headteacher gratefully received the items on behalf of the staff at Lliswerry High School.

Thank you Melin Homes, we look forward to working with you next year.

Mr Thompson

Mr Thompson has had a busy year with great success in his own creative exploits. His Poem 'The Fruit of the Spirit is Love (Galatians 5:22)' was the winner of the 2020 National Poetry competition, a prestigious literary award.

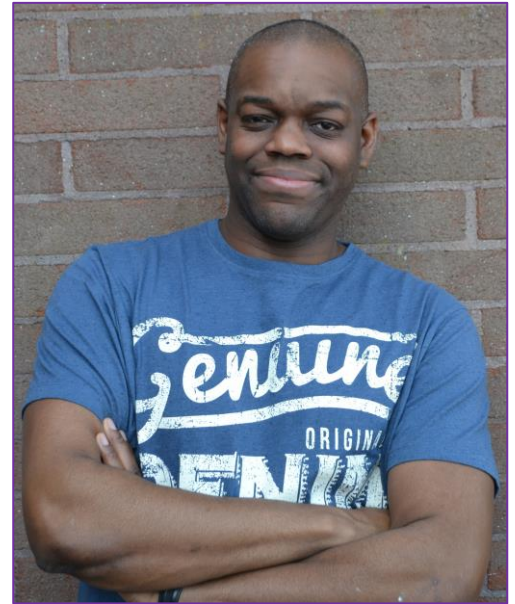

Mr Thompson said:

I wrote my poem 'The Fruit of the Spirit is Love (Galatians 5:22)', during the summer lockdown of 2020. With the poem, I won the Poetry Society's National Poetry Competition. It was chosen from over 18,000 entries written by 7,000 writers from 95 countries.

My poem is for my stepchildren and my paternal children. Like all my poems, it is a gift to their future selves. It is a poem to be read on nights when the weight of being a Dual Heritage person in Britain feels too heavy to bear.

My poem is for my parents. When they were born in Jamaica, they were British by way of empire. When they made their home in London, they encountered racism. Thankfully, they also encountered friendship and love.

My poem is for anyone who has felt discrimination pressing on their ribs, air being squeezed out of their lungs.

Picture credit Christopher Ball ex-Lliswerry Learner

My poem is for everyone, everywhere who lives their life seeking and believing in love.

Following on from this success, we are pleased to share that Mr Thompson (from our Year 7 Launch and English team) has been shortlisted as one of the finalists for another fantastic accolade - The Wales Book of the Year. This is Wales' national book prize, celebrating outstanding literary talent from Wales across various genres in both English and Welsh. There are four categories in each language – Poetry, Fiction, Creative Non-fiction and Children & Young People.

The winners will be announced on the 31st July.

We will all be keeping our fingers crossed for Mr Thompson.

The Fruit of the Spirit is Love (Galatians 5:22)

Dusk reddened a Dual Heritage neck, hands
and a moustache – its ends curled with wax. Jason Lee?
I stood below his dreadlocks in woodland

and reached up to touch his feet. A whirring fan
greeted my waking eyes, the house sleepy.

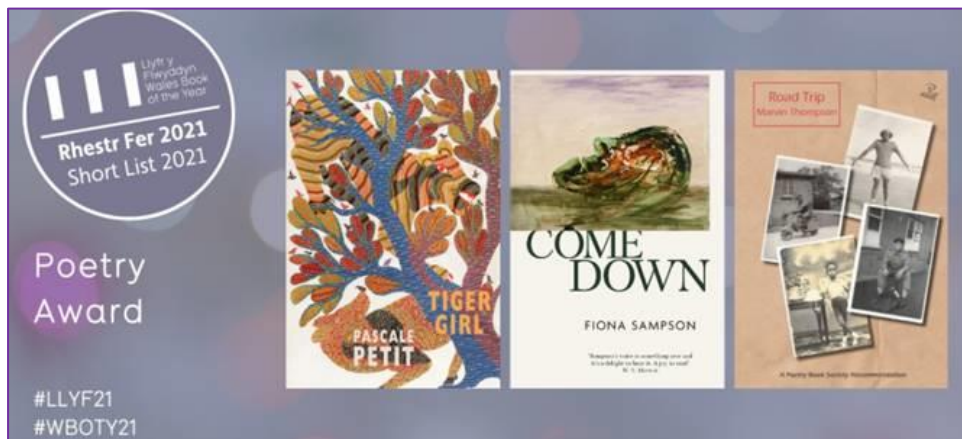

I'd dreamt both Dali's Christ and someone hanged.

'...a pineapple on his head...' sang football fans
and a comedian blacked-up as Jason Lee,
mocking Rastas. Did Jason beg Jah:

'Please keep this from my kids.' Should I tell mine
I filled my lungs with 90s minstrelsy
and sang, a teen lost in lads' mag England?

Who taught me pro-Black talk was contraband?
The me who cwtched Dad whilst watching Spike Lees
was shoved down basement stairs, feet tied to hands.

Embarrassed, should I play my kids Wu-Tang
and other rap that set my rebel free?
One day, when they walk their kids through woodland
will they sing calypsos or 'Blood of the Lamb'?

Lliswerry High School says Goodbye to Mr S Thomas

Friday 16th July 2021 will be the last day that Mr Thomas sets off from his house to go to work as a teacher at Lliswerry high school. At 3pm on this day, he officially retires after putting in a 'shift' of over 39 years as a teacher and subsequently as a senior leader here. This is an outstanding achievement in itself made even better by the thought of the number of pupils he has helped, supported and influenced over those years.

Steve started in 1982 and was employed as a teacher of maths. In his time here he has had many different roles and responsibilities within the school culminating in his current role of Assistant Headteacher. I have had the pleasure of working alongside him as a colleague for over 32 of these years and can honestly say that he is one of the most genuine and kind people I have met, always willing to help out in whatever capacity needed.

Steve has always been an enthusiastic sportsman, primarily participating in rugby and athletics and the 'star' of the Lliswerry staff relay team! (unbeaten 1982-present day). He claims to have been able to run 100m in 10.9s in his prime but we have no evidence of this! However, I do know that he was very quick because he has told me that every week for the last 32 years!

Steve is also very interested in DIY and can turn his hand to most things in regard to this area. Additionally, he also helps to run his parents farm whenever he can, so both in school and outside of school he is always kept very busy.

Steve is a devoted family man and met his wife Nicola whilst she was teaching in LHS. They are still happily married and have 2 wonderful children, Carys and Rhys.

All in all, I will miss Steve and miss seeing his face around the place as well as trying to listen to him still speaking to me when I have left his office and nearly arrived at mine. He already has a huge list of jobs waiting for him so I am not sure it will actually be a retirement in that respect.

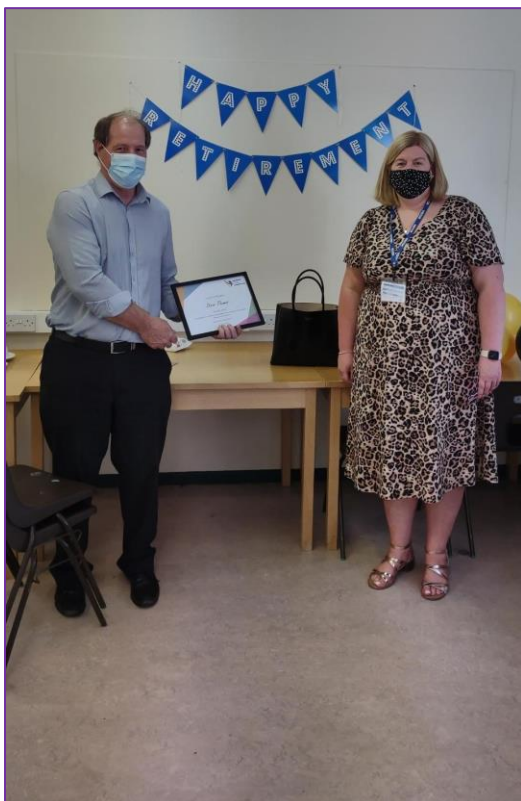

What I do know is that you have completely earned it Steve.

Dymunaf y gorau i ti fy ffrind.

By Mr Andrew Coughlin Head of Key Stage 3

Sarah Morgan Chief Education Officer visited Lliswerry High School to award Mr Thomas with an award as he is currently the longest serving member in secondary education completing 39 years.

Sarah thanked Steve for his hard work and dedication to Lliswerry High School.

Accelerated Reader

Our Key Stage 3 classes have been continuing to build on their reading success using Accelerated Reader. Learners have had the opportunity to improve their reading ability develop a love of reading. Our collective total of words read at the moment is 51,905, 656 with learners in year 7, 8 and 9 reading over 2,600 books!

Congratulations goes to the following learners for their reading successes:

Star Readers	Read over 250,000 words	Read over 500,000 words	Read over 750,000 words
<u>Year 7</u> Louie B Samuel M Asma Aliyah I Jayden W Lucas V Nafisa H Lexie H Ava S Holly E Ava C	Lewis C 7DHE Hadijatou C 7DHE Louis G 7SEJ Paulina S 7MRT Jamie-Lee K 7MRT Darcie B 7LKH Lucia F 7LKH Alys D 7LKH Straena K 7ADT Furkan C 8KB Liaba A 8NJP Jack P 8NJP Marcus M 8JC Amira J 9SLJ Sarah C 9SJW Tiana C 9SJW Layla G 9EP	Dylan S 7DHE Nayima I 8KB Keeley-Jay P 8KB Dovyde K 8KB Arifa B 8NJP Carys S 8NJP Noreen M 8PA Hussain A 8JC Archie S 9PD Ana-Maria I 9SJW	Nikodem S 8KB Codi A 8KB Emily G 8NJP Alicia H 9SLJ
<u>Year 8</u> Amira R Anjumin U Nathaniel H-S Charlie S Hussain A Mya B Aaiaa S Anna P Savannah S Tuba Y Denzel O			
<u>Year 9</u> Keerat H Katelyn M Emily S Ella S Alex P Amina C Lauren C David A Hadyn B Louise T			

The winning form with the most word count for 2020-2021 was 8KB. They received a celebration breakfast on Tuesday 13th July. As we were unable to hold this celebration last year for our winning form, they have enjoyed a late celebration. Congratulations to 8CHP (was 7CHP) who were the winners of 2019-2020.

The following learners have read over a million words this year!

Emily F 8KB	1.8 million
Adam I 8KB	1.4 million
Aliza I 8KB	1 million

Esther K 8CHP	3.4 million
Chanel Q 8CHP	2.6 million
Cameron H 8NJP	2 million
Trinity N 9SLJ	1.3 million
Asma B 7AT	1.9 million
Minahul K 7SEJ	1.2 million
Amna I 8PA	1.3 million
Morgan C 9PD	1.6 million
Isabel D 9SKJ	1.5 million
Nikodem S 8KB	1 million

All learners who took successful quizzes based on the books that they had read across the course of the year were entered into a prize draw.

1 st prize (£15 <i>Love to Shop</i> voucher)	Furkan C 8KB
2 nd Prize (£10 <i>Love to Shop</i> voucher)	Rayhan H 8PA
3 rd Prize (£5 <i>Love to Shop</i> voucher)	Malika K 7SEJ

We are very much looking forward to seeing how our learners continue to develop their reading enjoyment and skills in the next academic year.

What is more, **if you would like to donate any previously used or unwanted books** suitable for learners between 7 and 16 years old, we would love to find them a new home and a new lease of life in our school library. All appropriate books in good condition and in a range of genres and interests will be gladly received and should be handed in to the school reception or the school library.

More information on learners' reading choices and developments can be found here:

<https://ukhosted112.renlearn.co.uk/2239239>

Biometrics

The school is now using a Biometric payment system for catering, which is a quicker and easier way for learners to purchase food/drinks from the school canteen.

If you wish to register your son/daughter for this system, forms are available from the school reception. Once we have received the completed form learners will be registered the same day. This is a more efficient way for them to get their lunch instead of them remembering a 4 digit code.

Period Dignity

Newport City Council is currently running a Period Dignity campaign which seeks to ensure that no-one misses out on education due to their period. As part of this campaign Newport City Council has provided secondary schools across Newport with a free sanitary product vending machine and to ensure that the project provides environmentally friendly options, non-applicator tampons and reusable menstrual cups are also available. These products are free of charge and available to all learners in Newport schools. Products are available in the girls changing room and pupil reception.

Contact Details

Please make sure we have your most up to date contact details, also that you don't have the school number blocked. During this academic year we struggled to make contact with a few parents when making calls home. Please also note that if we call, it may show on your phone as 'number withheld'.

Learner Support

At Lliswerry High we want to create an outstanding climate for learning. It is important that our learners feel happy and supported in order to achieve their best in the classroom.

Our Pastoral team consists of both teaching and non-teaching staff who are available to offer support and guidance to learners in an effective and timely manner. As such we would ask that you emphasise with your child that they should approach a member of staff in the first instance should a problem or issue arise, rather than contacting home. By giving staff an opportunity to resolve any concerns we will be able to reduce any unnecessary worry for both you and your son / daughter.

Medical Room

We have a small medical room which is managed by a first aid officer. Learners visiting the medical room will be assessed and a decision on the next course of action will be made by the first aid officer, i.e. learner receives treatment, a phone call home is made or returns to class. Learners should familiarise themselves with the protocol below before visiting the medical room:

Learners:

- Q. What should I do if I feel unwell in a lesson?
- A. Tell your teacher and he/she will give you a red exit slip to leave the classroom to go to the medical room in learner reception.

- Q. What should I do if I feel unwell at break time or lunchtime? (If the bell goes for the start of the lesson, you must go to your lesson and speak to your teacher.)
- A. Go to learner reception and the staff there will help you.

- Q. Should I contact my parents and ask to be collected?
- A. No, the staff on learner reception will contact home if you need to be sent home.
Reminder: You should not use your mobile phone whilst in the school building unless you are in one of the designated areas during lunch or break time.

- Q. Who can give me permission to go home if I am unwell?
- A. Your Head of Year or Head of Key Stage or a Senior Member of Staff

Parents:

We have recently had a number of parents called to school by their children without the staff having any knowledge of a learner feeling unwell. Parents are asked for their support in the process above and to wait for the school to contact them to collect their child.

Reminder Covid-19

Please note the following reminders before returning to school in September:

Your child must not attend school if they:

- Feel unwell with any of the identified COVID-19 symptoms (please see symptoms listed below). They should remain at home and **self-isolate** and arrange a **COVID-19 test**
- Have tested positive for COVID-19
- Live in a household with someone who has symptoms of, or has tested positive for COVID-19
- Have been advised by NHS Wales Test Trace Protect (TTP) to do so
- Are required to self-isolate for travel-related reasons

The main symptoms of coronavirus are:

- a high temperature: this means you feel hot to touch on your chest or back (you do not need to measure your temperature)
- a new, continuous cough: this means coughing a lot for more than an hour, or 3 or more coughing episodes in 24 hours (if you usually have a cough, it may be worse than usual)
- a loss or change to your sense of smell or taste: this means you've noticed you cannot smell or taste anything, or things smell or taste different to normal

Please inform us immediately (admin@lliswerryhigh.org at any time or 01633 277867 during the school day):

- If your child is self-isolating for any reason
- If your child has symptoms of coronavirus
- **If your child has tested positive for coronavirus**
- If your child has been tested and the result is negative
- If someone in your child's household has coronavirus symptoms or has tested positive

Everyone following this will help us to keep your children safe in school. Many thanks for your support and understanding.

Communicate Easier, Faster and More Effectively

Using **School Gateway** means that we can communicate with parents quickly and cost effectively via email, text or smartphone. It will also allow us to send electronic reports in future.

If you have a smartphone, you can help us save money by downloading the 'School Gateway' app from your app store (Android and iPhone).

By doing this we can send you app messages (avoiding the cost of texts) and you can send messages back for FREE. It's quick and easy to do.

All you need is your email address and mobile number that school holds on record for you. If you have trouble logging in, please contact the school.

It is our intention to send all communication via Schoolgateway in the future.

Important Dates for your Diary

Autumn:

Term Begins	Thursday 2 September 2021 (Inset Day)
Half Term	Monday 25 October – Friday 29 October 2021
Term Ends	Friday 17 December 2021

Spring:

Term Begins	Monday 3 January 2022
Half Term	Monday 21 February– Friday 25 February 2022
Term Ends	Friday 8 April 2022

Summer:

Term Begins	Monday 25 April 2022
Half Term	Monday 30 May – Friday 3 June 2022
Term Ends	Friday 22 July 2022

INSET Days (school closed to pupils):

Thursday 2nd September 2021
Friday 3rd September 2021
Monday 29th November 2021
Monday 7th February 2022
Friday 28th January 2022
Thursday 30th June 2022
Friday 1st July 2022
