

Llswerry High School

Summer 2022

Dear Parent/Carer,

It's that time of year once again where I marvel at how quickly the year has flown by and reflect on how so much has happened once again. Seeing my own daughter leave Year 6 today really has reminded me of how quickly time flies!

This year has been another very successful one in many ways, including our continuing improvement in the quality of teaching and learning and learners' progression in skills (literacy, numeracy and digital) and their development of subject knowledge. I also look back with admiration at the way our staff pulled together through some very difficult periods of covid-enforced staff absence to ensure that we never once had to close to any year groups. Thankfully full lockdowns feel like they happened a long time ago, but we must all continue to be vigilant of course.

I also look back with admiration at the way our learners returned to full time school this year and to 'old school' exams once again. I never stop being impressed by the resilience of young people, their ability to adapt and move on whilst seemingly taking everything in their stride. Some of our learners have found this more difficult than others of course and their determination is also very worthy of recognition.

As I've just mentioned, exams have returned once again this year. Given that learners throughout the country haven't had the benefit of being able to practise for these over recent years, it remains to be seen how outcomes may or may not be affected. What I do know is that if your child did their absolute best then that is all anyone can ask of them and whatever results days bring this summer it will not define them nor should it diminish their ambitions. A letter about results days will be with you shortly if you haven't already received it by the time this newsletter is shared with you!

There are many positive items in this newsletter and our learners have achieved too many to include them all unfortunately. An incredible 372,102 positive behaviour points have been awarded to (and earned by) our learners this school year and this truly is a phenomenal total. Well done to them all!

In readiness for the new term (please see key info in this newsletter for dates), please can I ask that all parents and carers take note of our uniform rules and the uniform information in this newsletter. Most of our learners attend school smartly dressed in correct school uniform. However, as the recent uniform letter mentioned one area we would ask for your support with is that 'currently the length of some girls' skirts is not appropriate for school, however we have not asked parents/carers to purchase new skirts so close to the end of term' We do ask that this is addressed in time for September please. Thank you for your understanding with this.

Similarly, we would ask for your support with attendance and punctuality. Whilst we have many learners whose attendance is superb, too many learners currently have poor attendance and punctuality (some are even dropped off late to go to the shop opposite the school). We understand that it's not always possible, nor reasonable for a learner to be in school. However, I'm sure that no one would argue with the fact that poor attendance and punctuality has a massive impact on learners' progress and success and certainly doesn't develop the habits needed for holding down a job later on in life.

Looking ahead to our learning for September, we are very excited to be officially delivering the new Curriculum for Wales, with its focus on developing the 'four purposes'. These 'four purposes' have been included in our updated school mission statement below. Please do let us know if you have any comments or suggestions in relation to our updated mission statement.

'Our mission is to be the best school in Wales.

In our school community, all learners are ready to learn and make progress appropriate to their ability in every lesson.

We embody a culture of kindness, inclusivity, ambition, belief, determination and resilience.

Through our learner led, creative and engaging curriculum all of our learners are:

- *Ambitious, capable learners ready to learn throughout their lives*
- *Enterprising, creative contributors ready to play a full part in life and work*
- *Ethical, informed citizens of Wales and the world*
- *Healthy confident individuals, ready to lead fulfilling lives as valued members of society.*

These goals underpin our shared common purpose of preparing our learners for a successful future.'

To aspire to be the best school in Wales is no small ambition, but rest assured we will be doing our best to achieve this as that is what we believe your child deserves.

I hope you enjoy reading about the various events, activities and successes highlighted in this newsletter. I would also like to thank you all as always for your support and understanding throughout this school year. As I always tell our new Year 6 parents, there are very few problems we can't overcome when school and home work together in the best interests of your child. This year has shown that to be true once again, so thank you all very much indeed. I hope that you have a safe and enjoyable summer break and I look forward to sharing further successes with you once again next year.

Best wishes,

N Davies
Headteacher

RETURN TO SCHOOL

KEY INFORMATION

Dear Parent/Carer,

Here are the are the arrangements for the start of term.

Friday 2nd September is staff Professional Learning, therefore no learners will be in school.

The new academic year for learners begins on **Monday 5th September**. Details of when each year group starts back is detailed below.

Year 7 learners will start on **Monday 5th September** (please see the earlier email sent to Year 7 parents/carers).

Sixth Form will return on **Monday 5th September** (Please refer to earlier email sent to Sixth Form parents/carers).

Years 8, 9, 10 and 11 learners will be provided with blended learning on Monday 5th September. All return on **Tuesday 6th September**.

All learners must wear full school uniform when they return to school in September and must be in school by 8.30am.

Learners will have their timetables issued during form time and their Form Tutor can assist with any queries that may arise. Lessons will start as normal at 9am.

I would draw your attention again to our website for all other information on the school day, uniform, equipment and so on.

<http://lliswerryhigh.org/>

We very much look forward to welcoming all our learners back in September and wish you all a fabulous summer break.

Yours sincerely,

Mr D Jackson
Assistant Headteacher (Wellbeing, Inclusion and Equity)

LLISWERRY'S LATEST NEWS

The Queen's Platinum Jubilee

Learners took part in a whole school quiz and completed a form group collaborative art project to celebrate. Each form designed their own section of the portrait.

Can you spot your portrait section?!

The staff held a Jubilee Bake Off!

Jubilee Flowers – Iced cupcakes

Miss James

Date & Sultana Loaf

Mr Maunder

Queen Lizzie 3rd Brownies

Miss Thomas

Carrot and Walnut Cake

Mr de Clare

Congratulations to all who took part!

As part of 'The Queen's Green Canopy' initiative and the Platinum Jubilee 2022, our commemorative Acer tree has been planted on our school grounds.

MORE NEWS...

ANTIBULLYING AMBASSADORS

Our Antibullying Ambassadors have launched the antibullying box for people to report bullying incidents anonymously. The box is located in the library & only accessed by the ambassadors.

Once learners report any worries an ambassador will be able to support them.

Llswerry learners took part in the Guinness World Record Numeracy event in May via a live stream event.

A huge congratulations to 8RHM who were our form class winners for Accelerated Reader this year.

They have shown superb determination and ambition demonstrated with a total of over **34 million words.**

They enjoyed a pizza party and charades to celebrate.

Well done to Miss Williams for motivating the class against the steep competition of the other teachers!

#ArduaadAlta
#EffortstoHighThings

MORE NEWS...

GRT Celebration

A day before the celebration, we decorated the hall using Roma flags on the stage and some walls. We displayed the art gallery made by our EAL learners; all of the paintings were GRT themed.

On the day of the celebration, Pupils came wearing school clothes and had the chance to go to the drama studio and Mr. Tuckfield's class to changed to their party clothes ready for the day.

Below was the schedule that we followed:

- 10-11 am Y7 learners joined us (in forms) to learn about the Roma culture: art/music/clothes/food/language.
- 11:20- 1 pm: Toby G (a hip-hop dancer) delivered a dancing session and a speech about being a proud Roma and how to work on your goals.
- 1- 3 pm: parents joined us bringing food (Goulash) and some other traditional dishes. We had music and dancing by our talented learners throughout.

Some staff joined us and danced along with our learners and parents. We had our dance show where the girls wore Roma traditional flowy clothes which beautifully showcased their culture.

The reviews from both our learners and parents were overwhelmingly positive. They all had such lovely time and parents were pleased by the support that they had from the staff who joined.

It was lovely to see that everyone had enjoyed their time and each other's company.

EVEN MORE NEWS!

Llswerry learners & staff raised over £1000 for @comicrelief.

We had non uniform, raffles, bake sales, guess the name of the bear & how many sweets in the jar to name a few activities.

Some great work from our #enterprising learners.

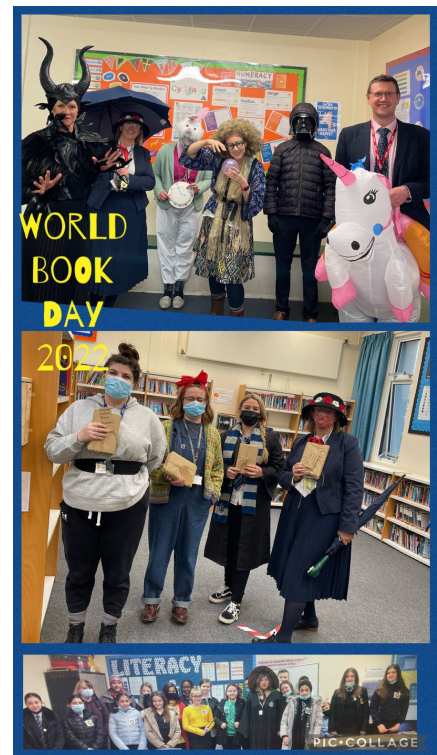

@comicreliefsch
#RedNoseDay

Learners enjoyed a range of activities for #WorldBookDay

The teachers did too!

It was great to share our reading experiences in school and at home.

SKILLS FESTIVAL 2022

On the 13th and 14th July, all learners in Year 7-10 took part in the very first Skills Festival. The sessions attended enabled our learners to take part in a range of activities which required them to use a range of skills in different situations.

These skills included Literacy, numeracy and digital skills as well as team work, communication and problem solving.

Year 7
Drama was really fun & we enjoyed the work. we enjoyed the basketball and working as a team. We learnt new skills in the Technocamp.

Year 9
Coleg Gwent was interesting - we enjoyed building the wall. Free books were great and there was lots of choice. The frisbee golf with the Police was the most fun workshop.

We had many outside providers in during the Skills Festival to work with our learners. It was fantastic to hear such positive feedback from across our local community on how impressed everyone was with the determination, resilience, belief and ambition shown by our learners. Well done to everyone who took part. And a HUGE thank you to everyone who ran workshops over the 2 days!

We can't wait for next year!

THANK YOU!

technocamps

PE Updates

Athletics

Well done to the Year 9 and 10 Boys Athletics team who finished 3rd overall in the South East Wales Athletics Cup. Our medalists were:

Gold Medals

Brandon Shatford - 100m - 11.4secs

Rafael Janela - 200m - 23.4 secs

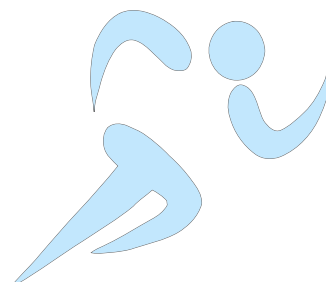

4x100m Relay - 47.9secs

Bronze Medals

Brandon Shatford - Javelin - 24.60m

Morgan Crow - Discus - 22.28m

Alex Pacaj - High Jump - 1.40m

Also well done to the Year 8 Boys Athletics Team who finished 4th in their Pool in the South Wales Athletics Cup. Our medalists were:

Gold Medals

Milan Yahia - 200m - 26.51secs

McKenzie Cook - 10.03m

Silver Medals

Milan Yahia - Javelin - 16.80m

McKenzie Cook - 75m Hurdles - 13.77secs

Bronze Medals

Lucas Verren - 800m - 2min 52secs

David Peter-Odia - 100m - 13.64secs

4x100m Relay - 56.53secs

Sporting Achievements

Congratulations!

Lucia Ford
(Gi & No Gi) Brazilian Jujitsu

2 x Gold Medals in the Somerset Open, 2 x Gold Medals in Wolverhampton and selected to represent Wales in MMA at the IMMAF Championships in Abu Dhabi this summer.

Tiago Arandjelovic
(Gi & No Gi) Brazilian Jujitsu

2 x Gold Medals in Birmingham and has been called up to the Welsh Squad travelling to Dubai this summer to compete in the World Championships.

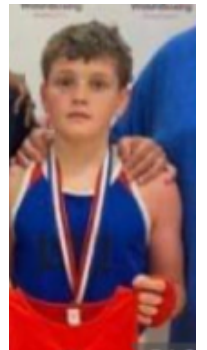

Evie Flage-Donovan
Gymnastics

3rd Place in Under 15 AA while representing GB in an International event in Hanguenau, France. Also 6th in the British Championships in Liverpool.

Gabriel Hegarty
Boxing

Won the Welsh Schoolboys Championship in Boxing.

Esther Kazeem
Athletics

Represented Newport Harriers and SE Wales in the U14 100m and 200m.

YEAR 11 & YEAR 13 LEAVERS

A message from Mrs Morgan (Head of Year 11)

Wherever you are moving on to be safe in the knowledge that you have achieved success.

You have been an amazing year group! You have made us proud of all you have achieved so far and you will continue to make me proud as you focus on achieving your goals and building a future that makes you happy.

Be safe as you begin your new journey in life.

Be focused on being the best you can be.

Be happy!

On Thursday 23rd of June, Lliswerry High School said goodbye and good luck to our departing Year 13 learners.

The occasion was marked by a leavers' lunch attended by Year 13 form tutors and, of course, our wonderful school leavers.

Mr Davies and Ms Lewis delivered speeches, sharing year group memories and acknowledging the determination and resilience the year group had shown in the final years of their school education. It was then handed over to our senior students for an informal awards ceremony. It was a lovely opportunity to look back on our learners' two years in the sixth form and, for some, seven years at Lliswerry High School.

We would like to congratulate every Year 13 learner for their achievements during some very challenging times and look forward to hearing of their future successes and adventures.

To the parents, governors, staff but most importantly the learners past and present at Lliswerry High, I want to say a big DIOLCH for accepting me into your community since 2013.

I have thoroughly enjoyed my time being a form tutor, head of house, Welsh Teacher and more recently in charge of the Welsh department at Lliswerry High School.

I have fond memories of all the extra curricular activities I have been involved in over the years including; Eisteddfodau, Sports Day, year 11 Proms, day trips to Cardiff, Big Pit, and residential trips to Llangrannog, Glan Llyn and France. I have also enjoyed getting involved with transition activities with our cluster school learners and staff.

It's with a heavy heart I am leaving to move closer to home, but will remain in charge of the Welsh team in my new school. I really have made memories here that will last a lifetime.

Diolch o'r galon! Mrs JP

SIXTH FORM

Now that the GCSE exams are complete, the Sixth Form are looking forward to welcoming a new group of learners to start Year 12 in September. In preparation for this, Year 11 were invited to a presentation, "Making the most of Sixth Form", from the University of South Wales.

They were able to enjoy an insight into Sixth Form and university life and also had the opportunity to ask questions and learn all about what happens following their results in August.

Those who are considering a career in medicine, then attended a presentation by a Cardiff University medical student. This was a very informative talk where they were able to start looking at the application process and the placement opportunities that would be available to them during their studies.

In addition, there have been taster sessions in a variety of subjects offered at LHS. This has allowed Year 11 to find out what each subject involves in order to aid decision making before commencing courses. Good Luck to Year 11 for their exam results! We hope to see many of you returning to us to continue your education journey!

SIXTH FORM

University of South Wales Visit

With exams having finished, Year 12 have been taking the opportunity to prepare for the new academic year and have been focusing on the next steps in their educational journey. As a part of this, we visited the University of South Wales to learn more about university and what it has to offer.

For many learners, this was the first time that they had visited a university and it was a good opportunity for them to see what further education involves, ask questions and learn more about student finance. They had the opportunity to start their UCAS university application, which will be completed in the autumn term.

Skills Challenge Week

We recently welcomed Year 12 back following the exam period. Their first week was spent completing their Enterprise and Employability group challenge where they had to create a business venture. We enjoyed presentations on a range of products from candles to a bakery to a puppy hotel.

The groups had to create the idea, design a business name and logo, complete market research and calculate projected costs and profits for their plan.

They worked extremely hard throughout the week and developed many of their individual skills while having an insight into the business world. Well done everybody who took part and look out Lord Sugar!

Social Mobility Fund

As Year 12 start to consider their options for life beyond Sixth Form, many have attended talks and presentations from a number of universities and those who work alongside them, including the Social Mobility Fund. This offers programmes to Year 12 learners who are considering a number of careers.

Following a presentation and a rigorous application process, Saimah Meah, Abigail Abraham, Charlize Booth, Chardonay Hughes and Rachael Huddleston-Smith were offered a place on the Aspiring Professionals Programme.

To date, this has given them the opportunity to attend a launch event, a university choices webinar, a confidence & resilience workshop and skills for success workshop. The programme continues with events and opportunities during the coming months, including more career insight days, a making a statement workshop, a CV & mock interview workshop, and visits to more Russell Group Universities. Top employers around the country will also host internships during the summer holidays and October half term which some of our learners will have the privilege to attend.

A busy term for Rachael!

The Social Mobility Fund Aspiring Professionals Programme has given Year 12's Rachael Huddleston-Smith the opportunity of a week's placement with a London based law firm in August which she is very much looking forward to.

In addition to this, keen to study Law at university, Rachael has also made the most of the opportunities offered to her by the SEREN programme. As well as attending an online summer school with Oxford University, Rachael has been offered a place at Cambridge University's Churchill and Trinity College Arts and Humanities Residential. She was selected out of over 1200 applicants and will spend 4 days at the university in August. The university confirmed that this was "one of the most competitive residentials ever run by the university, and it's testament to the strength of Rachael's academic potential and application that she has been chosen to attend!"

Back in January, Rachael also applied for the Sutton Trust US programme. This is a lengthy and rigorous process and she was again selected out of over 1000 students. This is a once in a lifetime opportunity to explore what studying in the US is like and it gives a taste of what it's like being an international student in the US. So far, Rachael has attended online events and a residential at Nottingham University as part of the programme. Although the trip to the US that this programme usually offers is unfortunately still unable to go ahead as a result of the pandemic, there will be further events for Rachael to attend in the coming weeks.

Well done Rachael and we look forward to working with you on your UCAS application in the months ahead!

School Uniform

Years 7 to 11

- Black skirt of an appropriate length for the work-place (i.e. not more than 7cm above the knee) or Black trousers (not skin tight and/or jeans or leggings)
- Blue blouse/shirt
- School velcro tie
- Plain black v-neck long sleeved jumper or cardigan
- Plain black or white ankle socks or thick plain black tights
- Completely Black footwear (no boots)
- Black Blazer

Years 12 and 13

- Black skirt of an appropriate length for the work-place (i.e. not more than 7cm above the knee) or Black trousers (not skin tight and/or jeans or leggings)
- White blouse/shirt
- School velcro tie
- Plain black v-neck long sleeved jumper or cardigan
- Completely Black footwear (no boots)
- Black Blazer

PE Kit

- Blue Polo shirt or Blue T-Shirt (with school logo)
- Blue Skort (netball team) (with school logo)
- Blue Shorts (football team) (with school logo)
- Leggings (with school logo)
- Blue Socks
- Hoodie(optional) (with school logo)
- Sports trainers for all PE and Games lessons
- Studded boots for outdoor Games lessons (Football and Rugby)
- Towel (optional) for use if using shower facilities
- Carrier bag (optional) to place dirty/muddy/wet clothing inside

NB netball team players must have the skort; football team players must have the shorts.

INSET Days (school closed to pupils):

Friday 2nd September

Monday 28th November

Friday 23rd December

Monday 13th March

Friday 30th June

Biometrics

The school is using a Biometric payment system for catering, which is a quicker and easier way for learners to purchase food/drinks from the school canteen.

If you wish to register your son/daughter for this system, forms are available from the school reception. Once we have received the completed form learners will be registered the same day. This is a more efficient way for them to get their lunch instead of them remembering a 4 digit code. Alternatively you can contact us at admin@lliswerryhigh.org given authorisation for your child to have biometrics set up.

Contact Details

Please make sure we have your most up to date contact details, also that you don't have the school number blocked. During this academic year we struggled to make contact with a few parents when making calls home. Please also note that if we call, it may show on your phone as 'number withheld'.

Attendance

If your child is unwell you need to report the absence daily, you can either email the school at admin@lliswerryhigh.org contact us through the school comms app or telephone the school.

Learner Support

At Lliswerry High we want to create an outstanding climate for learning. It is important that our learners feel happy and supported in order to achieve their best in the classroom.

Our Pastoral team consists of both teaching and non-teaching staff who are available to offer support and guidance to learners in an effective and timely manner. As such we would ask that you emphasise with your child that they should approach a member of staff in the first instance should a problem or issue arise, rather than contacting home. By giving staff an opportunity to resolve any concerns we will be able to reduce any unnecessary worry for both you and your son / daughter.

Medical Room

We have a small medical room which is managed by a first aid officer.

Learners visiting the medical room will be assessed and a decision on the next course of action will be made by the first aid officer, i.e. learner receives treatment, a phone call home is made or returns to class.

Learners should familiarise themselves with the protocol below before visiting the medical room:

Learners:

Q. What should I do if I feel unwell in a lesson?

A. Tell your teacher and he/she will give you a yellow exit slip to leave the classroom to go to the medical room in learner reception.

Q. What should I do if I feel unwell at break time or lunchtime? (If the bell goes for the start of the lesson, you must go to your lesson and speak to your teacher.)

A. Go to learner reception and the staff there will help you.

Q. Should I contact my parents/carers and ask to be collected?

A. No, the staff on learner reception will contact home if you need to be sent home.

Reminder: You should not use your mobile phone whilst in the school building unless you are in one of the designated areas during lunch or break time.

Q. Who can give me permission to go home if I am unwell?

A. Your Head of Year or Head of Key Stage or a Senior Member of Staff.

Parents and carers:

We have recently had a number of parents/carers called to school by their children without the staff having any knowledge of a learner feeling unwell. Parents/carers are asked for their support in the process above and to wait for the school to contact them to collect their child.
