

9th February 2024

Dear Parents and Carers,

We are fast approaching a crucial time in the education of year 9 learners; choosing their year 10 pathways. This is the first time that they will have the opportunity to make decisions which will positively impact their future aspirations. It is therefore important that we work in partnership to guide and support them.

Every learner is different and our mission is to ensure that all learners make progress in line with their ability. We know that everyone learns at a different pace and in different ways. Our role is to create a bespoke, and broad and varied curriculum to enable all our learners to be successful.

I have given an assembly to all year 9 learners to introduce them to three pathways and the subject options they have within these. Below is a timeline of key dates and the information that will be sent via learner Hwb email.

Week Beginning 5th February	Subject presentations during form time to give subject information
Friday 9th February	Pathways information booklet sent to all learners' Hwb email
Thursday 22nd February	Options Fayre 4pm- 6pm for parents/ carers and learners in school
Friday 23rd February	Year 9 Pathways form sent to learners' Hwb email
Friday 8th March	Deadline for completing Pathways form

Throughout this process, learners will be able to seek advice from their form tutor, subject teachers, Head of Year (Miss Jones) and Mr Marshall
