Headteacher's Update

Dear Parents and Carers,

I hope you all had an enjoyable Easter and Eid Mubarak to our community who are celebrating this week.

The first week back has been a busy one with lots of fantastic learning taking place.

Easter Revision Sessions

Well done to all our learners who attended revision session during the Easter break. Practical exams have already started and it is only 3 school weeks until the first external exam on 9 May.

Year 7 Learner Voice

Recently, we asked Year 7 about their experiences of our school. Their feedback was so positive and it was great reading their comments. It made me really proud to be Headteacher of such a great school. Here are a few examples of what the learners wrote:

- *I am happy because I am learning with my friends and making progress on my school work.*
- *I am happy because all teachers are kind and helpful.*
- *I am happy in school because I feel like I have reached my best in my lessons and I have a very good friends.*
- *I am very happy because I like learning new things everyday and challenge myself.*
- *I am happy because I have support around me to help with my self progression.*
- *I am happy because I have made good friends and I feel like I am learning lots of new things and I get a lot of positives.*
- *I am happy because I have made new friends and I feel supported by my teachers and my friends, also I enjoy my lessons especially art.*
- *All the lessons are very fun and interesting and my teachers support me all the time.*
- *I am very happy in this school because I feel very safe in this school.*

Uniform Consultation

This week, I have been doing assemblies with Year 7 to 10 about the proposals for the new uniform updates for September 2024.

We are not proposing to change the current uniform but to add some more options for learners to provide flexibility. The uniform is not gender specific and can be worn by any learner. To ensure that our uniform is cost effective, there only a few items which require the logo.

As well as the current uniform, which can still be worn, learners can also choose to wear the following items:

Skirts will need to be at least knee length (in line with the length of the shorts) and worn with thick black tights.

Please watch the video on the link below to learn more about the proposals.
