Headteacher's Update

Dear Parents and Carers,

Another busy week comes to a close, it was lovely to see so many of you at our Y7 progress evening last night. Thank you to parents and carers who spoke to me about how well their children are doing and how happy they are at school.

What can learners wear from September 2024?

Uniform Consultation

Thank you for your feedback on the new uniform proposals.

Here is a reminder of the proposal for the additional items for September 2024.

Learners will still be able to wear the current uniform if they wish.

AJP are now taking orders for the logoed items - hoodies, sweatshirts, polo shirts as these are popular items based on feedback.

You can also buy plain versions of these and we will be offering a free of charge logo service at the school to provide a cheaper option.

We are also looking into providing a zip up black jacket with the logo following suggestions from parents and learners.

We are still reviewing the options regarding tights and socks based on feedback.
