Headteacher's Update

Dear Parents and Carers,

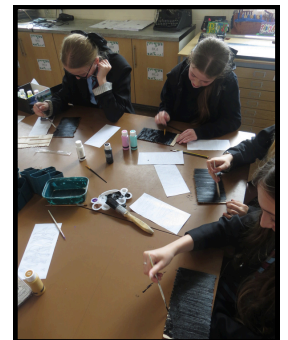

I hope you all enjoyed the long weekend and have been enjoying the change in the weather this week. It is lovely to see the sunshine finally. Once again there have been lots of great things going on this week. Well done Y11, who have started their formal, external exams with great focus and maturity.

3D Art Club

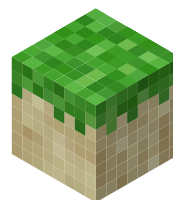

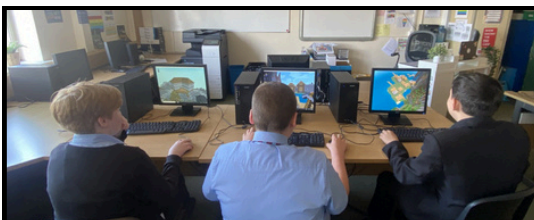

Miss Griffiths has recently started a 3D art club that takes place after school on a Wednesday. Learners have created their names in a Graffiti style. They will later trace these designs onto their painted fences.

Learners also created and painted fences using lollipop sticks and practised their craft-knife skills (and making plenty of mess) by whittling down Styrofoam bases to act as hills.

Minecraft Club

Another after school club is run by Mr. Ellis on a Thursday, here are Jackson, Cole and Adam working on their Minecraft skills.

Efforts to High Things

Navy Teambuilding Event

This week, we welcomed back the Royal Navy to carry out a team building session with our Year 9 learners. The focus of the session was on solving problems to overcome natural disasters. The Navy gave a short talk on how they utilised these skills when dealing with natural disasters such as the Haiti earthquake. The learners were taught the importance of teamwork and working with others they may not choose to normally work with. They identified the skills that an effective team needed to utilise in order to succeed.

A lot of fun was had by all those who participated and thank you to the Royal Navy for coming in to provide this session for us.

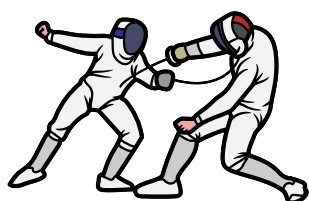

Fencing Champion

One of our Year 11 learners, Daria, is having great success at fencing.

She achieved first place for the under 17 age at the Welsh Championship, second place in the under 23 age in Wales and first place as part of her team.

Last week she won first place, representing Wales at the British Championships in Sheffield! The first ever winner from Wales. Well done Daria, I look forward to hearing more about your successes.

Upcoming dates

- Friday 17 May - Y8 Full progress and wellbeing report sent home (check your email or school comms app).

Thank you to all of our families and our community for your continued support.

Best wishes,

Julia Fitzgerald
Headteacher
