

# Llswerry High School

Friday 17 May 2024

## Headteacher's Update

Dear Parents and Carers,

Another busy week comes to a close at Llswerry high School. It's a busy time of year with all the exams and events that are taking place, here's this week's update.

### Year 11

Our Y11 learners have been very focused on their exams again this week. A reminder that they are expected to attend as normal until Friday 24 May. It is vital that they are in all their lessons to ensure the best preparation for their exams. After half term, timetabled lessons will still take place for the subjects in which learners still have exams.

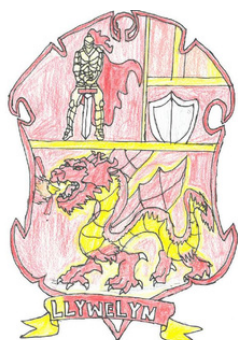

### House event - Inter house quiz

Today is the final of this half term's house event, a quiz!

In the style of university challenge, questions begin in the form of starters for 1 point, and must be answered on the buzzer with no conferring. The team that answers a starter correctly then gets three linked bonus questions for 1 point each during which the team may confer, with the captain giving their final answer. the event was filmed so the rest of the school can watch the action next week!

Which house will win and how will this impact on the overall standing this year?

Efforts to High Things

## Year 7 & 8 Girl Football Tournament

Good luck to our Year 7 and 8 girls football team who are playing in Newport Live football tournament at Bassaleg school today.

## Skills Festival - can you help?

Following the success of Skills Festival over the last two years, we are in the process of planning the Festival again for this year! The festival will be in school on the 10th and 11th July. Across those two days, learners take part in practical workshops and activities to develop their knowledge and skills throughout the day.

We have continued to make links with the local community to invite a range of groups, employers and businesses in order to work alongside our staff and learners over this time.

Are you able to help us or offer any suggestions or connections that we could develop to broaden the real life experiences learners may have on those days? If you are interested in supporting our learners across these two days it would be great to have you there inspiring our learners!

**[Please email admin@lliswerryhigh.org if you can help.](mailto:admin@lliswerryhigh.org)**

## Upcoming dates

- Friday 17 May - Y8 Full progress and wellbeing report sent home (check your email or school comms app).
- Friday 24 May - school finishes for half term break

Thank you to all of our families and our community for your continued support.

Best wishes,

Julia Fitzgerald  
Headteacher
