Headteacher's Update

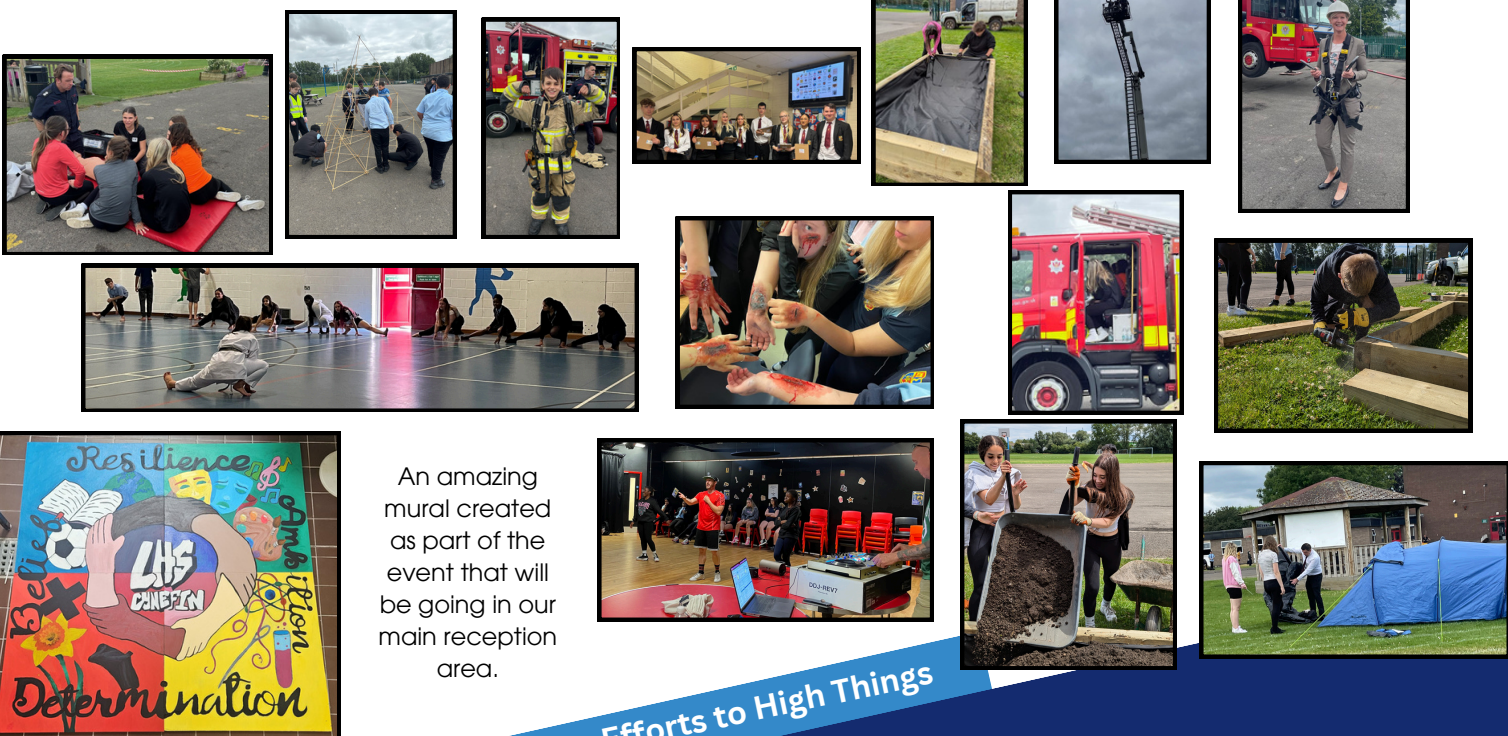

Dear Parents and Carers,

This week has been another highlight for me! Despite the rain washing out our sports day we have had our Skills Festival over 2 days as well as our Cynefin day. These events enhance our in class curriculum and bring our community together developing skills and a sense of belonging.

Skills Festival

On Wednesday and Thursday this week we held our annual skills festival. As you can see we had lots of organisations in school giving learners a range of opportunities to develop their skills and understanding. As always the learners were a credit to our community and had some fantastic experiences. I even got a bird's eye view of the school from the fire engine crane!

Thank you to our Y12 helpers and to Mrs. Bartley for organising another fantastic event.

An amazing mural created as part of the event that will be going in our main reception area.

Efforts to High Things

Dydd Cynefin Day

Today we have celebrated the rich diversity that makes up our school community. Learners have worn clothes that link their culture and cynefin. The concept of cynefin encompasses the feeling of belonging and being part of a community where everyone feels a sense of acceptance, inclusion and affirmation of their identity. This is one of my favorite days where we get to see the all amazing cultures at our school. Click the link below and listen to some of our staff explaining why they are proud to be Welsh.
