Health and Wellbeing Festival

After 2 postponements due to rain we finally held our annual sports day health and wellbeing festival on Thursday. As always, it was a hotly contested event with both staff and learners taking part.

Here are the results of the penultimate house event of the year. **Well done to Llewellyn house.**

Special Visits

I am very proud to share with you that we have had some special visitors at Lliswerry High School over the last 2 weeks. I always take any opportunity to welcome visitors to show them the great things that happen here as well as to show off our fabulous learners.

Last Thursday, we were visited by the leader of Newport Council, Dimitri Batrouni and Deb Davies Newport Cabinet Member for Education.

Yesterday, we had the honour of welcoming the Welsh Cabinet Secretary for Education, Lynne Neagle as well as Deb Davies and John Griffiths, MS for Newport East. We gave them a multi-lingual welcome showcasing the over 30 languages that learners speak here at Lliswerry.

Wimbledon Trip

Some of our learners had the amazing opportunity to visit the Wimbledon Tennis Championships last Friday. They had an amazing day. Thank you to Miss Watson for securing tickets for them.

Here are some things the learners said about the trip:

"It was an incredible day. It gave me a once in a lifetime experience. I enjoyed every second of it and I am truly grateful for the opportunity"- Travis W.

"We loved a lot of things for example the fan zone. We also enjoyed being able to watch multiple matches throughout the day. Also having opportunities to explore all activities that happened on the grounds of Wimbledon which made it an enjoyable time. We are incredibly grateful that Miss Watson bought us strawberries and cream! We are very grateful for this experience, and we would love to have more opportunities like this in the future.- Sarah and Ava
