## Celebration Event

Thank you to everyone who came to our event after school on Friday. It was great to hear your stories especially of how the school opened from one of the original learners who started in 1974,

## Door House Competition

It was wonderful walking around the school on Friday and seeing the hard work that all the learners had put into their form room doors. They were each given a decade as a focus for their decorations and it certainly made me reminisce!

Click the video link below to see all the doors including the winners.
