Headteacher's Update

Dear Parents and Carers,

Welcome to the new school year, I hope you all had an enjoyable summer break. Welcome to our new Year 7 learners who have had a brilliant first week at high school and welcome back to all our learners. We are looking forward to the new school year with lots of exciting plans.

Site Update

We have done some work to the school site and building to improve our wheelchair access. One of the main areas is our learner reception area, which is much more open and welcoming to all. We have also added a disabled toilet on B floor and have an extra door with a ramp to the yard from the A floor canteen to improve accessibility.

Welcome to Team Lliswerry.

- Miss Paisey - Assistant Headteacher
- Miss Day - Leader of Learning for Humanities
- Miss Hodges - Teacher of English
- Mrs. Hussain - Teacher of Maths
- Miss Williams - Cover Supervisor
- Miss Weir - Inclusion Team
- Ms. Holloway - Teaching Assistant
- Mrs. Fowler - Science Technician

Efforts to High Things

Thank you for all your support with our school uniform. Almost everyone returned wearing perfect uniform and the new options look great. Learners have been keen to tell me how they appreciate the choices and how comfortable they feel. If you haven't read the article published about our logo service over the summer here is the link.

We will be providing the service this term so I will send out dates in next week's update.

Well done to all our Y10,11,12 & 13 learners who received some great results in their qualifications this summer.
