## Headteacher's Update

Dear Parents and Carers,

What a wonderful week we have had, there have been so many things going on that have brought us together as a community. Our diversity is one of things things that I love about Lliswerry.

### Newport Climate Council Logo Competition

You may remember that I shared that we took first and second place in the competition in the Summer. Today a representative came in to school to present Ava W (the winner) with a bike and Lola-Grace S. with a £30 voucher. Their families came in to share in the celebration. What a wonderful way to start the day, I am so proud of them.

### Odd Socks Day - Tuesday 12 November

This week, many staff and learners took part in Odd Socks day. Odd Socks Day is an annual event that encourages people to wear mismatched socks as a way of celebrating diversity and promoting inclusion. It serves as a reminder that being different is something to be proud of and is something we truly believe here at Lliswerry.

### Health & Wellbeing - Learners of the term and Team of the Term.

#### Learners of the Term

Efforts to High Things

### Year 9 Boys Football

Unfortunately Year 9 boys bow out of the Newport cup after a 3-1 loss to a good John Frost side. Our goal was scored by Theo W.

Seren y Gêm - Maxi S.

The teachers at John Frost took the time to let me know how well mannered and positive the boys were. Well done, you have done our school and community proud with your efforts to high things.

### Year 10 Boys Football

A solid performance from the Year 10 team in Thursday's friendly against Gwent is Coed. Goals from Donte B (3), Dylan M. (2) Lucas S. (2), and Lewis C. (1)

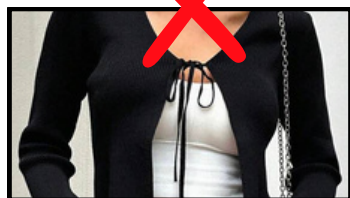

Seren Y Gêm - Donte B.

### Children in Need

In support of Paddy McGuinness' endurance cycle we were back on the bikes today raising money for Children in Need. This is also a house competition so I will update you on the winner next week.

Well done to all those involved, the support was great too.

### Uniform Update

Thank you for your on going support with uniform, our learners look smart. A reminder that this type of cardigan is not part of the uniform policy. If learners are wearing them next week, they will be asked to remove them. Thanks for your support.

### Upcoming Dates

- **Monday 25 November - INSET day - school closed to learners**
- Thursday 28 November - Year 8 Progress Evening 3.30-6.30
- Thursday 12 December - Post 16 Pathways Evening (for Year 11)

Thank you to all our families and our community for your continued support.

Best wishes,

Efforts to High Things
