Headteacher's Update

Dear Parents and Carers,

The end of a wonderful Spring term and lots to report this week! Have a lovely two week break

No Coats inside

As the weather is turning warmer we will return to there being **no coats in the building**. please ensure that your children have one of the other options - blazer, hoodie, jumper, cardigan, all black with no logos other than the school logo.

Thanks for your support

Exam Preparation

Click on the link below to access WJEC past papers, knowledge organisers, blended learning activities and general revision resources.

This is a great way to revise and practise.

6 SCHOOL DAYS

Cyber Explorers

Recently, some Year 7 and 8 boys took part in the Cyber Explorers Cup competition. They developed key digital literacy skills, including problem-solving, critical thinking, and the ability to identify online threats. They worked exceptionally well as a team, collaborating effectively to tackle the various challenges. This experience has also given them valuable insight into potential careers in cybersecurity. We look forward to seeing the results and finding out where the learners have placed in the national competition.

Year 7 boys football

Last Thursday, the Year 7 football team showed unbelievable resilience and determination to come back from 3-0 down to reach penalties after finishing the game 4-4. The belief amongst the boys was incredible and they were so unlucky to eventually lose the tie on penalties. What a performance! A big shout out to our penalty takers who stepped up for our team and scored some outstanding penalties.

Year 12 UCAS Discovery Event

This week, Year 12 attended the UCAS Discovery event at the ICC, Newport where they had the opportunity to meet with representatives from over a hundred universities. They had the chance to attend talks on higher level apprenticeships and applying to university. Those who attended gained valuable information on career pathways, university courses and university life in addition to lots of freebies!

Learner Entrance Doors

After Easter, to ensure site safety the **front doors will not be used** by learners to enter the building.

Year 7, 12 and 13 learners will need to enter the building via the doors on the yard with Year 10 and 11.

Year 8 and 9 will continue to enter through the side doors next to technology.

Any late learners after 8.35 will need to enter via the door on the yard.

School Essentials Grant

Your child could be eligible for financial help of up to £200 for:

- school uniform, including coats and footwear
- school activities: this could include learning a musical instrument, sports kit and other equipment for after school activities
- classroom essentials: this could include pens, pencils and school bags

Application closes on 31 May 2025
