Headteacher's Update

Dear Parents and Carers,

It's been business as usual here this week. There have been lots of external exams for Years 10,11,12,13 as well as events for other year groups.

Even though we will see them after half term for their exams we had our official events to say goodbye to Year 11 and Year 13 learners. Learners attended celebration assemblies receiving awards for their achievements during their time with us.

We wish you the best of luck for the rest of your exams and your futures!

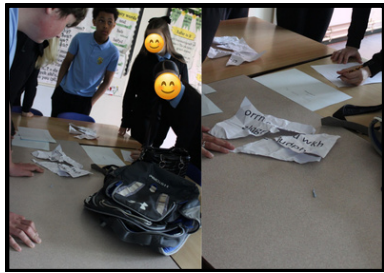

Year 11 took part in the traditional shirt signing.

House Event : Escape room

This week, learners took on the ultimate challenge in the Lliswerry High Escape Room, where they raced against time to override a rogue AI system. Collaborating under pressure, they cracked complex codes, solved mind-bending riddles, and uncovered hidden keys — showcasing teamwork, problem-solving, and determination at every turn. Congratulations to Team Gwenllian who were the winners, cracking the code in an incredible time of 31 minutes, 48 seconds, NINE minutes faster than the runners up!

Reaching Wider Welsh for Employability

Thirty Year 9 learners took part in the first of two sessions with colleagues from Cardiff University, exploring how Welsh language skills can boost employability. In the first session, they delved into the history and future of the Welsh language. They discovered how nurses use Welsh to support patients in the care sector and how rugby players even use it as a 'secret language' on the field! Da iawn, blwyddyn 9!

YEAR 9

The School Council met yesterday to work on their action plans. They have decided on 3 focus areas, anti-bullying, anti-racism and wider school issues. They have some amazing ideas and are looking forward to delivering assemblies to learners next term.
