Headteacher's Update

Dear Parents and Carers,

I hope everyone had a relaxing half term break, I can't quite believe that we are in the last half term of this academic year.

To all those of you in our community celebrating today, we wish you and your family peace, happiness, and prosperity this Eid al-Adha.

This week, I have enjoyed doing assemblies about kindness to all year groups. We have looked at the UN declaration of human rights as well as laws in the UK. We also learnt about the ripple effect and I have challenged learners and staff to start their own ripples by doing random acts of kindness. Year 7 have even started their own wall with their random acts of kindness. I hope they all continue these at home over the weekend!

"WHEN YOU ARE KIND TO OTHERS, IT NOT ONLY CHANGES YOU, IT CHANGES THE WORLD"
- HAROLD KUSHNER

And what has made me so happy and proud of our learners is that I received this from one of them today which has warmed my heart.

Year 9 Trip to Abernant Lake

25 Year 9 learners are going away for the weekend to Abernant Lake in mid-Wales. I look forward to updating you on what they got up to on next week's update.

Thank you to Miss James for organising the trip. Have a great time!

NEW TIMETABLE

As you will be aware, every year we start our new timetable for the last 4 weeks of the summer term, this helps us to refocus and enables all GCSE courses to be started. All years groups will move to the next year on **Monday 23 June**. We will be going through new timetables with learners next week and they will be given their new timetable on Monday 23 June.

Please help us improve our communication

We know that there are some parental concerns about communication. Mrs. Bartley has been working with a group of parents to address these concerns.

We would also really appreciate your feedback so we know what your issues are and then we can work together to solve them.

Upcoming Dates

- **Monday 2 June - Return to school (Week 1)**
- **Monday 23 June - New timetable begins (Week 1)**

THANK YOU

Thank you to all our families and our community for your continued support.

Best wishes,

Efforts to High Things
