## Headteacher's Update

Dear Parents and Carers,  
Another busy week here at Lliswerry!

### Year 11 Prom

We had a wonderful prom last Friday. It was fantastic to see our Year 11 learners celebrating the end of their exams. I'm sure you agree, they all look amazing!

### Girls in STEM Visit

Monday marked the final stage of our learners completing their Bronze Industrial Cadets Award through participation in the Girls Get Set programme.

Over the course of the academic year, 22 learners successfully finished the course, focusing on women in STEM, exploring various STEM careers, and creating STEM-based presentations and projects.

One of the teams earned the Innovation Award for their outstanding presentation, competing against other schools in the programme.

Additionally, our school was proud to receive the Teamwork Award on the day.

Congratulations to all of the learners who took part and we look forward to running the programme again in the next academic year.

### Year 5 Curriculum Days

On Wednesday and Thursday this week we welcomed Year 5 learners from our cluster primary schools. This starts their transition activities and the close work with do with our feeder primary schools to support them to be ready for joining us in September 2026. They had a great day experiencing some new subjects.

### New timetable, new year!

As you know we have started our new timetable this week so all learners have moved to their new year group. It has been great having conversations with learners about their new timetables this week and how excited they are! Year 10 having started their new options courses which has been a real positive change for them.

As always a highlight of the summer term is our summer showcase. It's an opportunity for you to experience the best of our performing arts team.

**Get your tickets now!**

**If you have uniform that your children have grown out of or have left school and will no longer use please donate it to us!  
Just drop it in at reception.**

### Upcoming Dates

- **Wednesday 2 July - Summer Showcase**
- **Thursday 3 July - New Year 7 Parents Evening**
- **Friday 4 July - New Year 7 move up day**

Thank you to all our families and our community for your continued support.

Best wishes
