Leaders of Now - School Council

Today, some members of our school council are attending an event organised by Show Racism The Red Card. This event is to launch a new project called 'Leaders of Now'. The project will empower our learners to take action, giving them a voice and enabling them to make changes here at Lliswerry and beyond. This is the start of a year long project for our council. We are excited to support their journey and can't wait to see all of the impact they have.

The top three choices from are learners are below, we will see what the final choice is soon!

SHREK

LEGALLY BLOND

MATILDA

Cross Country

Well done to all our distance runners who represented the school at this week's cross country league meeting at Caldicot High School. They all performed to the best of their ability and showed fantastic determination and resilience. It was great to see some of our new year 7 learners taking part.

Efforts to High Things

Football matches kicked off this week including our new Year 7 teams.

Year 7 girls won 7-2 v Gwent-Is-Coed in the Gwent cup

Seren y Gêm - Year 7 Amira Y.

Year 7/8 girls won 8-2 v St Joseph's in the Welsh Cup.

A good performance, although not the result we wanted for the first match of the season. Our Year 10 boys football team fell to a 4 - 2 loss away at Bassaleg. All the boys showed real pride in the jersey.

Goals - Cameron E. Damiola K

Seren y Gêm - Jack R.

Open Evening.

Thank you for all parents and children who attended our open evening on Thursday. It was also great to hear all the positive comments you made about our staff and learners.

Today our staff have been supporting the Macmillan with coffee and cake at break time. We all know families affected by cancer.

Please donate online if you can.
