This week 35 learners had their first meeting with the NHS where they committed to taking part in the Just B smoke free programme which will train them up to be anti-smoking ambassadors. They started their training to positively influence their peers about the dangers of smoking and vaping. They will now go on to do two days of training in late October to learn all about the risks of smoking and vaping.

**LEARNER  
LEADERSHIP**

This week, a group of learners met with Addysg Cwtch to discuss how relationships and sex education is taught in school. The learners were outstanding and Addysg Cwtch's feedback was that they were really engaged, mature and knowledgeable about all the topics they covered. They represented the school fantastically and relished the opportunity to have an impact on what is taught in this subject .

## Year 6 Curriculum Days

This week, we had a fantastic two days welcoming Year 6 learners from our cluster Primary Schools. This is to give them a taste of what they can expect in Year 7 and start to welcome them to Team Lliswerry. They had a great time and we received some wonderful feedback!

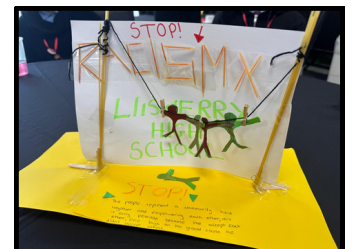

I just wanted to follow up after today and say thank you for everyone's efforts at the Curriculum day. I know our learners had a fantastic day and lots seemed very excited about potentially joining in September.

## Leaders of Now project.

As I mentioned last week, some of our School Council members attended an event organised by Show Racism the Red Card. They had a fantastic day and are now planning how they will drive the Anti-Racist Wales agenda with our school community.
