Leaders of Now

This week members of our school council who are part of the 'Leaders of Now' project met with Lauren from Show Racism the Red Card to plan their next steps in educating our community about racism.

Just Be Smoke Free

Year 8 had their first Anti Smoking Ambassadors meeting following their training course. They met to discuss any interactions they had had with their peers around smoking and vaping. They were able to share personal stories of conversations they had had with other members of Year 8. They are moving on now to design posters where they will share important facts they have learned about smoking with the rest of the school.

Smashed Event

Year 7 had Smashed Live come into do a production about the dangers of drinking as a young person. The whole of Year 7 really enjoyed the performance and activities. They were really engaged and asked some really thoughtful questions.

Netball results

King Henry had two extremely good teams for our year 8 and 9 fixture last night. The girls worked extremely hard and never gave up.

Year 9 had a good game with a close score throughout until the very end.

Tricks of the Trade! Stuntman visit

On Thursday the Cardiff based company 'Into Film' organised for some Y9 learners to be involved in an exciting Drama Workshop with a local stage combat company. The team organised for a highly experienced stunt man to train the students in stage combat skills and how to do lots of fun stunts. They also worked on how camera angles are used to film such scenes. The learners and staff had great fun!
