Headteacher's Update

Dear Parents and Carers,

Another great week, here's what's been going on.

Year 12 and 13 PPEs

Practice exams start for Year 12 and 13 on **Monday 8 December.**

Construction Careers Event

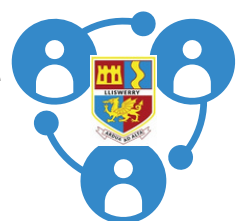

Over 100 pupils from Years 9 and 11 took part in a Careers in Construction event held in the main hall today. Staff from KW Bell AccXel Construction School, Lovell, Newport Norse, Hedyn, Newport City Council, Wynne Construction, and Whitehead were on hand to give learners an insight into the wide range of opportunities within the construction and maintenance industries. Learners engaged positively as they visited each display, taking part in practical activities across various fields, including plumbing, drainage, electrical wiring, and trying on on-site PPE. The event will support them in planning their next steps, whether that's post-16 pathways or selecting their Year 10 subject options.

Community Engagement

This week we met with some parents and carers to share the improvements we have made in communication between home and school.

Thank you for your feedback. It was great to hear how the changes we have made from parent and carer feedback has improved communication.

We will continue to build on the suggestions from parents and carers and will be asking for more people to join us in the Spring.

SPORTS NEWS

Netball

This week the Year 10 and 7 teams had an away fixture at Newport High School.

The Year 10 team unfortunately lost 14-2 but they worked hard and Miss Clark has seen real progress within this team over the last few weeks.

Seren y Gêm - Maddison P.

It was the first netball game for the Year 7 team and they did really well with a win of 5-0. Miss Clark was so proud of them as some had never played netball before coming to training on a Thursday.

Year 10 Football

The boys played a fantastic game this week with a win against Gwent Is Coed 4-1. It was an exceptional effort by all involved, and a very well deserved win.
