Headteacher's Update

Dear Parents and Carers,

Here's this week's update.

Road safety - parking

Keeping our learners, your children safe is a priority. As a result of cars parked on pavements on the road outside school, we have had some accidents as there is not enough room for the children to walk.

PLEASE PARK WITHOUT RESTRICTING THE PAVEMENT

We will review this over the next few weeks and take further action if needed - thank you for your understanding to keep everyone safe.

Learner Shout Out

Well done to Finlay L. 9L2 he saved all the positive points he has achieved this year to get a signed Ospreys rugby ball.

Well done to Years 10 & 11, they have completed their first week of their Pre Public exams. They have been really mature and approached them in the way we expect. This helps them to get the experience of what the real exams will be like and allow us to pinpoint what needs to be done before then.

Creative Writing Club
We have a new club starting, if you are a budding writer come along. We may have the next famous author in the making!!

Efforts to High Things

Year 9 Football

Unfortunately, our year 9 learners suffered an away defeat vs. Caldicot this week. However, the boys can be extremely proud of themselves as the teamwork and togetherness was extremely impressive throughout the game. Da iawn boys!

 Seren y Gêm: Nathan B. for his continued effort throughout the game, setting the standard for others to follow

**TEAM
WORK**

Year 7 Football - Newport Cup

Yesterday, the year 7 girls team won their Newport Cup game against local rivals Llanwern **7-1**.

We are so proud of this team and their teamwork and effort. They are now through to the finals of the Newport Cup!

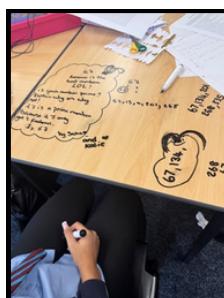

It was a cold and wet day so no photos but they will have a victory photo next week!

Learning in the Hub

It's been another positive week for learners in the hub this week, as well as their interventions and wellbeing activities they have worked hard on their maths and numeracy skills
