Headteacher's Update

Dear Parents and Carers,

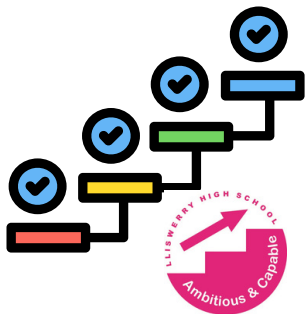

Another busy week with lots of things going on.

GOVERNORS' REPORT TO PARENTS

Every year the school's governing body publish a report for parents to read the report ...

YEAR 9

Year 9 Pathways and Options

This week, Year 9 have had daily assemblies covering a range of careers to help them start thinking about their pathways.

The pathways booklet will be emailed to learners' Hwb account today.

Please take time to review all the information so you are ready to discuss pathways at our Parents' Evening next Thursday 12 February. Here is the link to the timeline so that you are aware and can support your children, you can also access the booklets and subjects videos via the timeline.

The Message Trust

On Monday, we welcomed 'The Message Trust' along with the OTC band to deliver informative sessions about knife crime. These engaging sessions were fully embraced by our learners who loved the interactive style the message was delivered in. Learners learned about how carrying a knife can change your life forever and the consequences of knife crime.

Efforts to High Things

Year 10 Football

Huge congratulations to the Y8 boys football team who won their Gwent Cup match away to West Mon 3-1. Every single player involved worked tirelessly and they really showed fantastic determination and resilience to come back from a goal down to win.

Goals came from Wisdom I. Daniel S.

★ Seren y Gêm: Logan P.-H. for his dominant display playing out of position at centre back.

Girls Get Set

On Thursday, girls from Years 8 and 9 took part in an online masterclass delivered by GKN Aerospace, exploring the environmental impact of powered flight. They examined a range of ways engineers are working to minimise this impact, particularly by reducing flight emissions.

The session also explored how alternative fuel sources could replace traditional aviation fuel, including hydrogen, batteries, and sustainable fuels such as waste oil and biomass, to help reduce carbon emissions. To conclude, the girls were asked to consider these solutions and incorporate them into their own design ideas.

Dydd Miwsig Cymru : House Event

Over the past few weeks, some of our learners have been working incredibly hard to create their very own House Song, and the results are amazing! Learners have collaborated within their houses to write, compose and perform their songs. Some have sung as whole classes, others in smaller groups. They have all demonstrated an amazing level of creativity, teamwork and a tonne of musical flair.

All learners will be listening to the songs on Monday 9th February. Then, the voting will begin. The house with the MOST votes will be crowned the winner on Friday 13th February 2026 - Welsh Music Day! Pob lwc i bawb!

I will let you know the winner next week.

Upcoming Dates

- **Thursday 12 February - Year 9 Options and Pathways Fayre (4.30-6.30)**
- **Friday 13 February - Last day of half term**
- **Monday 23 February - Return to school (week 2)**

Thank you to all our families and our community for your continued support.

Best wishes,

Julia Fitzgerald
