## Headteacher's Update

Dear Parents and Carers,

A great last week of this half term, here's a round up!

**Ski Trip 2026**

The ski trip left this morning, we know they will have a wonderfull time. You can get updates on our facebook page.

### Year 9 Options Fayre and Pathways Evening

Thank you for such a great turn out at the Year 9 Options and Pathways Fayre last night. It was great to have positive conversation about pathways for our young people. All of the information mentioned at the event is on the link here.

[CLICK HERE](#)

**THANK YOU**

### First Give

The First Give final event is nearly here and today the learners who will be involved in the final presentations received some coaching and support for the First Give to develop their skills.

### Future Chef

Well done to Grace S. who recently competed at the recent Future Chef Regional Final held at Cardiff Stadium.

Although Grace S. did not win the competition on the day, her professionalism, motivation, and positive attitude throughout the event was outstanding. She represented our school exceptionally well, and we truly feel her efforts and commitment deserve recognition.

Efforts to High Things

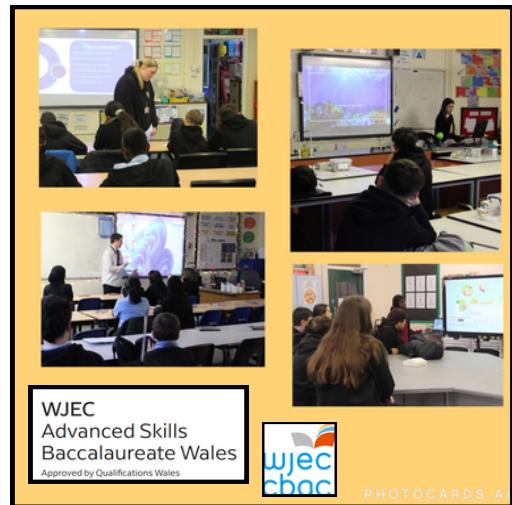

## Netball Scores

Year 8 and 9 had their last netball league games this week. Year 9 lost a very close game of 9-7 to Caerleon. The girls came together and played in alternative positions to be able to play their best against Caerleon.

Year 8 lost 16-1. Caerleon were a really strong team and

Year 8 kept pushing but unfortunately took a loss.

Both teams will now be working hard in training before the tournaments in a few weeks.

## Year 12 Skills Challenge

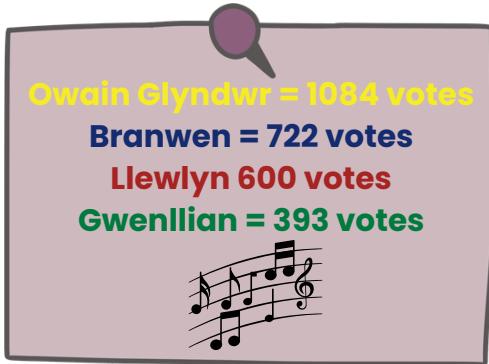

Recently, some of our Year 12 learners have started to deliver well-being sessions to learners as part of their Skills Challenge lessons. Each learner has chosen a UN goal as a focus of the lessons with learners in Years 7, 8, and 9. The lessons have been well received by learners with Year 12 learners showing resilience and determination throughout the week.

## Year 11 PPE results day

On Friday, our Year 11 learners experienced what it will be like in August to receive the real results. We hope that this experience will help them understand, if needed, what they need to change before their real exams to make their outcomes better.

**9 school weeks/45 days until the first exam external exam.  
Welsh speaking exams start after half term**

We are delighted to share the results of our Dydd Miwsig Cymru House Competition. Our learners showed exceptional creativity, teamwork and enthusiasm, and every team should feel proud of their creations. A huge thank you and well done to all learners who took part. Their dedication and creativity made this a really fun celebration of music!

## Upcoming Dates

- **Monday 23 February - Return to school (week 2)**
- **Monday 2 March - INSET day (School closed to learners)**

Thank you to all our families and our community for your continued support.  
Have a nice half term

Best wishes,

*Efforts to High Things*

Julia Fitzgerald
