## Headteacher's Update

Dear Parents and Carers,

I hope you all had a good half term break. Here's what has been happening this week.

### Keep your bike safe

Sadly, we have had some recent bike thefts from the front bike sheds. From now on, learners will be able to store their bikes on the back yard inside the perimeter gate. Please use a lock as well.

### Year 9 First Give Project

Friday saw the final event for our Year 9 learners who have been working on the First Give project as part of their Health and Wellbeing lessons. This year, seven charities were chosen by our Year 9 students. The charities were Head For Change, Race Equality First, Fearless, Eden Gate, Trussell Trust, Newport Mind and Gwent N Gage. We have been happy to welcome many of the charities into the school where they have given interesting and informative talks on the work they do. We have seen a wide range of social actions take place from Bake Sales, to charity football matches, food drives, petitions and various informative displays. We were pleased to welcome John Griffiths MS Newport East, Rhiannon Youseef and Gosia Pudelko Kelly to the school as judges of this years competition.

The winners were 901 who won £1000 for their charity Race Equality First. Fantastic work, thank you to all involved.

# Ski Trip 2026

Over half term, 40 learners went on a ski trip to Folgarida, Italy. For the majority, it was their first time skiing, the progress they made throughout the week was exceptional and they were even attempting jumps and off-piste runs by the end of the week. The bus drivers said they were the best school they have ever taken due to their politeness and respect. As a health and wellbeing department we are proud of their attitude and behaviour across the week- they were a pleasure to take away. Thanks to Miss Watson for organising the trip and for Mr. White, Mr. Parry, Mrs Slocombe and Mrs Davies for supporting.

## Year 10 PPE Results Day

On Thursday, our Year 10 learners experienced what it will be like to receive their real results. We wanted to give them the experience to motivate them to understand what it feels like. Now is the time to lock it in and work hard!

## Upcoming Dates

- **Monday 2 March - INSET day (School closed to learners)**
- **Thursday 5 March - Year 11 Progress Evening 3.30-6.30**
- **Thursday 19 March - Year 10 Progress Evening 3.30-6.30**

Thank you to all our families and our community for your continued support.

Best wishes,

Julia Fitzgerald
