Headteacher's Update

Dear Parents and Carers,

Another busy week here and finally it seems that Spring is in the air!

Parent Drop Off

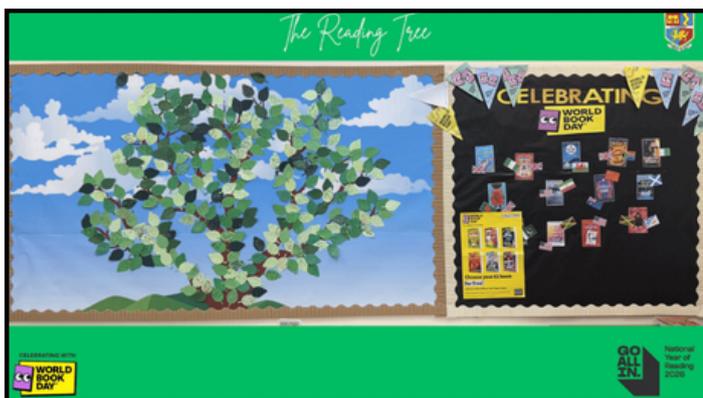

Please can parents drop learners **outside the car park gates**. There have been safety concerns regarding learners on their bikes in the car park and the number of parents' cars.

THANK YOU!

GCSE Drama Trip

This week the GCSE Drama class went on a theatre trip to the Riverfront Theatre to see the brilliant production of 'Window into Wales'. The class really enjoyed the performance which was a real-life story about racism years ago and how Welsh people initiated a project to create a stained-glass window as a gift of solidarity to Alabama in 1963. What made it more special is that it was written by an ex Llswerry learner, Conor Allen. The class were also complimented on their excellent behaviour and conduct. Dai iawn Y10!

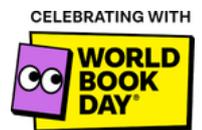

World Book Day

To celebrate World Book Day this week, learners in Year 7, 8 & 9 have created a 'Reading Tree'.

The tree will be a visual of our culture of reading for pleasure.

Learners have added leaves to the tree with books they have enjoyed reading.

Part of the National Year of Reading 2026

GO ALL IN.

Efforts to High Things

Year 9 Netball Tournament

The girls won 1 game and lost 2. It was a lovely day for them to play teams they hadn't played before and to show off their skills which have developed this netball season. Well done!

Year 8 Football

After a great win and performance in the last round, it was unfortunately a defeat to a very good Caerleon side in the Quarter-Finals of the Welsh Cup for our Year 8 Boys Football Team. Well done to all those boys who were involved who gave their best right until the end.

Seren y Gêm - Liam B. who made a number of fantastic saves in the game.

On Tuesday, the Girls get Set group took part in a masterclass run by GE Healthcare, they learned about how the heart functions and the role of each component that makes up this complex organ of the human body.

They also presented their knowledge and understanding of the school's carbon footprint and explored the most effective ways it could be reduced.

Staff from Baker Hughes were very impressed with the standard of the presentations, and we are hopeful that Lliswerry will have a winning team when the judges reveal the results in June.

Llangrannog - Year 7 2026

The Year 7 trip to Llangrannog left at lunch time today. I'm sure they will have a fab time and will update you on their weekend next week.

Year 11 Progress Evening.

Thank you to all parents and carers who attended progress evening yesterday. It was great to see so many of you at this critical time for Year 11 in preparing for their exams.

Upcoming Dates

- **Thursday 19 March - Year 10 Progress Evening 3.30-6.30**
- **Friday 27 March - Last day of Spring term**

Thank you to all our families and our community for your continued support.

Best wishes,

Julia Fitzgerald
