Headteacher's Update

Dear Parents and Carers,

Well that's the Spring term done for this year! It's been another term packed with the things that our amazing learners have been doing.

Last year 10B2 won the First Give Programme for the charity Fearless (Part of Crimestoppers), who received £1000. To thank the learners and celebrate their hard work and determination, representatives from Fearless gifted the learners a variety of things, including their own personalised Fearless hoodie.

Some of our year 11 learners have started to create our own school newspaper. This was something they decided to do on their own which shows fantastic creativity.

Year 11 College Visit

On Thursday, Year 11 pupils enjoyed an engaging and informative tour of the facilities at Coleg Gwent's Nash campus. As part of planning their post-16 pathways, they spoke with staff from a range of departments, including construction, motor vehicle mechanics, childcare, and hair and beauty. It is hoped that this experience has helped them decide on the most suitable pathway to follow in September.

EASTER

Easter Bonnets - Year 10

Every week Year 10 learners take part in form challenges, and this week's task was to design an Easter bonnet and showcase it on a catwalk. As you can see, the learners showed fantastic creativity, teamwork, and courage as they brought their ideas to life. They threw themselves into the challenge with enthusiasm, supported one another throughout, and clearly had a great deal of fun along the way.

University of South Wales Year 10 Visit

Today, 6 year 10 learners went to the University of South Wales today to give their voice on how they can be supported in education. The learners also had an opportunity to try the 'Hydra' experience that is used throughout university courses across the country. The learners had a fantastic time and came away feeling very inquisitive about university

Boxing workshops

Our learners in years 7,8, and 9 had a great opportunity today. Geraint from Welsh Boxing came to the school to give them some a taster session and some workshops on boxing. We may have a champion in the making!!

The positive points ratio so far this year is 97%! Learners have achieved a total of 1,286,490 points this year!!
