Headteacher's Update

Dear Parents and Carers,
Here's what has been going on this week.

This week the 'Leaders of Now' have been working hard to prepare for the Show Racism the Red Card celebration event at Rodney Parade. Lauren, from Show Racism the red Card, came in and met with our learners on Monday to finalise their presentation. On Thursday, they presented this to the other schools involved. They proudly and confidently stood up and spoke about the steps we have taken so far in our anti-racism journey and about what we plan to do next. They are looking forward to completing a very exciting art project during Skills Festival. This art project is set to celebrate and represent just how diverse we are as a school. Watch this space!

This week, we sadly said goodbye to one of our long standing exam invigilators. Malcolm is leaving us after 19 years supporting learners with their exams. We will miss your calm and supportive work with our learners.

Efforts to High Things

Last week I reported that Isabelle T. in Year 10 would be doing a fire walk for the Jessie May charity. Well she did it!!! Well done Isabelle - channelling the triangle of positivity!! You can still donate to this great charity!

Year 9 - Health and Wellbeing sessions

This week our Year 9 learners took part in sexual health sessions delivered by Abby from the NHS. These sessions support the mandatory requirements in the Curriculum for Wales, helping learners understand healthy relationships and make safe, informed choices as they grow older. Abby provided accurate, age-appropriate information that helps learners recognise risks and know where to seek support, strengthening their overall health and well-being. The sessions were very well received, with learners asking thoughtful questions, and Abby praised their maturity, behaviour and engagement throughout.

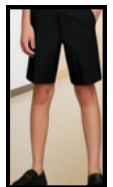

As the warmer weather approaches a reminder that our uniform caters for all temperatures. Shorts and skirts can be worn. They must be **KNEE LENGTH**

UNIFORM REMINDER
