

# Llswerry High School

Ysgol Uwchradd Llysweri

Friday 22 May 2026

## Headteacher's Update

Dear Parents and Carers,

The end of another busy half term, here's this week's update

**EXAM UPDATE**  
**15 JUNE**

**EXAM TIMETABLE**

### Young Science Writer Award 2026

Year 10 pupil Yavindi S.-A. has been highly commended in the prestigious Young Science Writers of the Year competition for her essay, "Were Our Thoughts Ever Ours?"

Judges praised the originality, scientific depth and maturity of her thought provoking writing, which combined complex scientific research with powerful philosophical questions.

As recognition for her achievement, Yavindi will attend a special prize-giving ceremony at the Science Museum in September. Everyone at Llswerry High School is incredibly proud of her outstanding success

### Year 13 Leavers' Assembly

On Thursday we said goodbye to our Year 13 learners after 7 years at Llswerry High School. We wish them the best of luck for the rest of their exams and their futures.

This year the Gemma Reynolds award went to Maria R. Well done!

**BEST OF LUCK**

**Efforts to High Things**

### Billy Mazoya

This week, we were really excited to welcome back former learner, Billy Mazoya. Billy is the co-founder of Cynefin Pamoja - a multiple award-winning community group that offers anti-racism training and talks, with the aims to celebrate diversity and promote cohesion amongst people. Billy did an assembly with Year 9 learners and caught up with Mr Godfrey. We are so proud of Billy achievements.

### Football Tournament

The girls came second in the Newport combined tournament winning 5 matches and drawing 2 and were the only team to draw with the winners. It has capped off a wonderful season where the Year 7 and 8 team are one of the top 16 teams in Wales.

Llswerry V St Julian's B 3-0 win      Bassaleg B- 1-1 Draw  
St Julians A 1-1 Draw                  John Frost B 6-0 win  
John Frost A 6-0 win                    Llanwern 2-0 win  
Bassaleg 4-0 win

### CAMHS workshops

Over half term the Child and Adolescent Mental Health Service (CAMHS) are running some workshops to support mental health and wellbeing. You can scan the QR code to book a space.

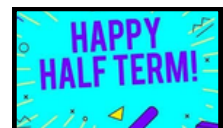

### Upcoming Dates

- Monday 1 June - Return to school (week 1)**
- Friday 19 June - Year 10 Progress and wellbeing report sent home**
- Friday 26 June - INSET day (school closed to learners)**

Thank you to all our families and our community for your continued support. Have a good half term break.

Best wishes,

Julia Fitzgerald  
Headteacher
