## Headteacher's Update

Dear Parents and Carers,

We have had a really busy week with our new timetables starting.

POSITIVE	
Year 8	96%
Year 9	96%
Year 10	96%
Year 11	96%
Year 12	100%
Year 13	96%

On Monday, all learners moved up a year and started their new timetables. They have done this exceptionally well and it's great to get started so that we can get straight back in to focused learning. This is particularly important for Year 10 as they have now started their GCSE/BTEC subjects. As you can see, all years groups have been really dedicated and ready to learn from the Class charts positive ratios.

Interim Visit

This week we had an interim visit from the school inspectorate ESTYN. This was not a full inspection, but an opportunity for some feedback on our previous recommendations to look at what we are doing well and what we can do to further improve. We will receive a letter outlining these things which I will, of course, share with you. The visit was really helpful and the team were impressed with the way in which our learners behaved during the visit. The team said they were polite, well behaved and focused in lessons. As always, a credit to our community.

Logos

I know there are lots of offers on uniform items in shops at the moment. If you need any iron on logos, please come and collect them from reception during the school day.

Year 5 Parents - Open Evening

We have seen a number of questions on social media about our LSC provision. If you have a child in Year 5, we are having an Open Visit on **Thursday 9<sup>th</sup> July 3.15-4.30** so that you can see what we do.

If you have a child in Year 4 we will be in touch with another date to visit.
