Llswerry Learners

PUBLISHED!

Over 35 learners have had their short stories published as part of the 35 years celebration of Young Writers.

I will be posting the stories over the next few weeks.

Well done, Llswerry Learners! ★

Incredible!

A huge shout out to Oakley B. (Y9) on his first rugby match of the season for Caerleon Under 14s. Oakley got off to a fantastic start, scoring the first try of the season after just 5 minutes. The team went on to secure an impressive victory against Blackwood. What a way to start the season, Oakley – congratulations and well done.

Shaun M (Year 9) plays for Newport Corinthians, last season he won all these awards making us and his family proud.

Supporting our school community

Thanks to the kindness and generosity of our school community, we have a number of preloved coats available for students.

These coats have been donated by families whose children have outgrown them and still have plenty of wear left.

If your child would benefit from a coat, please contact us in confidence by emailing: admin@lliswerryhigh.org

Thank you to everyone who has donated and helped support our school community.

Parent Governor

We are looking for a parent governor to join our governing body. It's a great experience and helps us understand the views of our parents to support our children. Interested?

Thank you to all of our families and our community for your continued support.

Best wishes,

J Fitzgerald
