hilly course!!

Efforts to High Things

Well done to the Year 10 learners who took part in the U16 South East Wales trails recently. Congratulations to Eliza, Madison and Clara who were selected for the final 16.

YOUNG SCIENCE WRITER AWARD

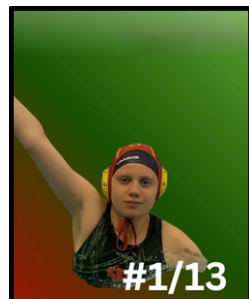

I have previously mentioned that Yavindi won a prize in this competition and last week she went to the Science Museum in London to receive her award. She has written about her experience for this week's update

I am incredibly proud to have received a Highly Commended award in the Young Science Writers competition. This achievement would not have been possible without the support of my teachers, and I am grateful for their guidance throughout the process.

After Mr. Evans encouraged the year group to enter, I decided to challenge myself and take part. With support from Dr. Bloor, I developed my idea on how gut microbiomes affect our emotions. Mr. Nowaczyk helped refine my writing, Dr. Jeanneret checked the reliability of my statistics, and Mr. Marshall encouraged me to seek support whenever I needed it.

This experience helped me develop both my scientific understanding and my writing skills. It also showed me the importance of believing in yourself, pursuing your interests, and asking for help when you need it. Lliswerry's strong sense of community is a big part of what made this possible.

Elizabeth (Year 8) has enjoyed a successful few months in water polo while continuing to compete as a national swimmer for Wales. She represented Wales at the Swim Wales Women's Junior Development Tournament in Edinburgh before helping Gloucester County win the Under 15 title in September. Playing as both goalkeeper and utility, Elizabeth was praised by coaches for her versatility, speed and commitment to the team.

Parent Governor

We are looking for a parent governor to join our governing body. It's a great experience and helps us understand the views of our parents to support our children. Interested?

Thank you to all of our families and our community for your continued support.

Best wishes,

Julia Fitzgerald
