GCSE and A level London: Tate Britain & Tate Modern Galleries

On Tuesday, learners who study GCSE and A level Art went on a trip to London to visit some galleries, they had a fantastic time and were, as always, a credit to our community. Here are the highlights information from Gana in Yr13.

'During our trip to London, we visited Tate Britain and Tate Modern, exploring a wide range of British, modern and contemporary artworks. We enjoyed discovering different artistic styles, techniques and exhibitions, learning about the development of art over time. The trip was both enjoyable and educational, giving us the opportunity to experience world class galleries and spend time together exploring the city.'
