HEADTEACHER'S UPDATE

Dear Parents and Carers,
It's been a busy week here with
lots going on.

Career Spotlight – Baker Hughes

On Wednesday, 50 of our Year 11 learners had the opportunity to take part in an inspiring Career Spotlight session with staff from Baker Hughes. Jerry, Dina, Chi and Helber spoke about their own career journeys and the wide variety of roles available within the company, from apprenticeships and engineering to supply chain, sales and project management. Learners gained a valuable insight into the different pathways into employment and the range of opportunities available within a global company. A huge thank you to the Baker Hughes team for giving up their time to share their experiences and inspire our pupils as they begin to consider their own future careers.

Over the past two weeks, the Prom Committee has been busy fundraising for the Year 11 Prom. Through two successful initiatives, a "Guess the Number of Sweets in the Jar" competition and a staff raffle, they have raised an impressive £160. Thanks to their hard work and enthusiasm, the funds have already been used to secure the spectacular "PROM 2027" giant illuminated letters, helping to make the evening even more memorable for their peers. Well done to everyone involved!
